Too Much Turkey Is No Excuse for Not Buckling Up

Special *Click It or Ticket* Enforcement Mobilization

November 15 through November 28, 2010

**Aimed at Increasing
Seat Belt Use and Saving Lives**

San Jose, CA -- With the holidays upon us and millions of Americans hitting the roads, the San Jose Police Department wants everyone to arrive safely at their destinations. Drivers and passengers need to know that officers will be out in force sending the strong message to "Click It or Ticket."

"No one wants to start the holidays off with a ticket," said Acting Chief Chris Moore, of the San Jose Police Department. "We want everyone to enjoy a safe holiday season with loved ones -- don't throw it away simply because you failed to buckle up."

While seat belt use is at a record high of 83 percent nationwide, 45 million Americans still fail to buckle up when they get in a motor vehicle. Although 96.2 percent of California motorists and passengers use their safety restraints, over 1.5 million Californians don't buckle up.

During the holiday period, over 35 unrestrained vehicle occupants will be killed in motor vehicle crashes each day nationwide. Statewide, overall traffic deaths declined by 23 percent, from 3,995 in 2007 to 3,081 in 2009, due in part to the increased use of seat belts. Total Traffic fatalities are at their lowest levels in six decades.

"Sadly, the holiday, which for many are the happiest time of the year, is also one of the deadliest and most tragic," said Chief Moore.

"Regular seat belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes," said Christopher J. Murphy, Director of the California Office of Traffic safety. "Law enforcement estimates indicate that over 1300 Californians survived by buckling up last year. Sadly, however, about 150 others will not be gathering with families during the holidays because they choose not to use their seat belts."

National statistics also show that those least likely to buckle up are teens, young adults, males, nighttime riders, motorists traveling on rural roads, and individuals traveling in pick-up trucks.

More than 100 local law enforcement agencies statewide and the California Highway Patrol (CHP) will be participating in this year's Click It or Ticket mobilization. Funding to support California's Click It or Ticket campaign was provided by a grant from the California Office of Traffic Safety (OTS) through the National Highway Traffic Safety Administration (NHTSA).

San Jose: On Friday, 11/5/10, 7:16 a.m., the San Jose Police Department received a report of a kidnapping. The caller, a relative of the victim, reported the victim had left his home the previous evening, Thursday, 11/4/10, around 9:00 p.m. to run errands. This was not considered unusual for the victim, as the victim is a local food business owner and is known to check his business establishments during the evening hours.

The victim failed to return home at the expected time, prompting family to call the victim's cellular phone around 12:30 a.m. However, the victim's phone apparently was turned off and the call went directly to voice mail. This in itself was unusual, as the victim habitually maintains his cellular phone turned on and is known to answer all calls.

At approximately 1:15 a.m., Friday, 11/5/10, the victim's family received a call from the one of the suspects, demanding \$1 million ransom by 6:00 a.m. for the safe return of the victim. The victim's family delayed calling the San Jose Police Department until 7:16 a.m., at which time a team of officers were assigned to the investigation from the Patrol Division; Special Operations -- Mobile Emergency Response Group and Equipment (MERGE) and METRO; Bureau of Investigations -- Robbery, Assaults, Gang

Investigations, and Homicide units initiated an intensive and widespread investigation into the victim's kidnapping.

The police investigation continued throughout the day with officers coordinating their various investigative methods at various locations throughout the city. These concerted investigative efforts allowed officers to develop leads and information that subsequently revealed the victim was being held captive in the 1100 block of Fargate Circle in San Jose.

Officers responded to the 1100 block of Fargate Circle and observed a vehicle leaving the house where the victim was being held. Officers conducted a high-risk vehicle stop of the suspect car and took the driver and one passenger into custody at approximately 8:13 p.m.

Officers obtained information from the driver and passenger of the suspect vehicle which confirmed the victim was alive and being held in a two-story residential dwelling of the 1100 block of Fargate Circle.

Officers continued to surveil the house where the victim was being held and observed two males exit the house. Officers acted promptly and took the two subjects into custody without incident.

Officers obtained additional information from both suspects, which confirmed the victim was being held captive in the house while bound with duct tape. Officers also learned of a fifth suspect who was armed and had remained in the house to monitor the victim.

Shortly after officers arrested the two subjects that had exited the house, a male subject was observed jumping out a second story window from the house where the victim was being held. Officers contacted the subject who had jumped out of the window and determined it was the victim.

Officers moved the victim to safety and promptly took the fifth suspect into custody without incident at approximately 10:11 p.m.

The victim had sustained non life-threatening injuries inflicted by his captives and also sustained non life-threatening injuries as a result of jumping out of the second story window. Investigation revealed the suspects had assaulted the victim using an electric stun device. The victim was taken to a local hospital where he was admitted with non life-threatening injuries.

Additional investigation following the rescue of the victim and arrest of the suspects revealed controlled substances in the victim's home.

The motive remains under investigation and it is unknown whether the suspects targeted the victim in connection with his illicit drug activity.

The suspects were booked into the Santa Clara County Jail on various charges, including Kidnapping for Ransom and Robbery.

A total of approximately 125 officers were utilized to investigate this case due to the severity and nature of this crime. These included officers from the aforementioned specialized units and all three patrol division shifts.

Anyone with information about this case is urged to contact the San Jose Police Department's robbery unit at (408) 277-4166. Person wishing to remain anonymous may call the Silicon Valley Crime Stoppers at (408) 947-STOP (7867).

Sobriety and Driver License Checkpoint

San Jose, California

Saturday, October 30, 2010

9:00PM to 3:00AM

San Jose Police Department Targets Impaired Drivers with Sobriety Checkpoint during Halloween Weekend

The San Jose Police Department will conduct a sobriety and driver license checkpoint in the City of San Jose on Saturday, October 30, 2010 from 9:00 p.m. to 3:00 a.m., at S. Bascom Avenue and Whitethorne Drive, in San Jose.

In an effort to reduce the number of persons killed and injured in alcohol-related crashes, sobriety checkpoints are conducted to identify offenders and get them off the street, as well as to educate the public on the dangers of impaired driving.

All too often, members of our community are senselessly injured or killed on local roadways by impaired drivers. This DUI / driver license checkpoint conducted in an effort to reduce those tragedies, as well as to ensure motorists have a valid driver license. A major component of these checkpoints is to increase awareness of the dangers of impaired driving and to encourage sober designated drivers.

A sobriety checkpoint is a proven and effective method for achieving this goal. By publicizing these enforcement and educational efforts, the San Jose Police Department believes motorists can be deterred from drinking and driving.

Traffic volume and weather permitting, all vehicles may be checked, and drivers who are under the influence of alcohol and/or drugs will be arrested. Our objective is to send a clear message to those who are considering operating a motor vehicle after consuming alcohol and/or drugs: *Drunk Driving, Over the Limit, Under Arrest.*

The public is encouraged to help keep roadways safe by calling 9-1-1 if they observe a suspected impaired driver.

Funding for this operation is provided by a grant from the California Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA).

The San Jose Police Department's DUI enforcement efforts are dedicated to the memory of 4-year-old Jose Cortes-Diaz, killed July 11, 2010 by a DUI driver, and to all victim's of DUI-related incidents.

Inquires can be directed to Sgt. Steven Angel at 408-277-4341.

On Friday, October 29, 2010, The San Jose Police Department (SJPD) will host a press conference at the Police Administration Building (PAB), 201 W. Mission Street, in the Bureau of Investigations (BOI), room 314.

The SJPD will be announcing support for private sector collaboration between two technology companies, CrimeReports.com (www.crimereports.com) and Logitech (www.logitech.com), and how their collaboration with the City can support shared public safety goals among community members.

The SJPD has been using the CrimeReports.com application since 2007, and the new *Neighborhood Central* application includes progressive, new tools for registered end-users to help improve the awareness, engagement and communication on shared crime prevention issues. *Neighborhood Central* also includes functionality for end-users to register personal security video cameras, such as the state-of-the-art Logitech devices, as a crime prevention asset.

Representatives from the SJPD, CrimeReports.com and Logitech will each describe the project, demonstrate how the different applications work together, demonstrate the new, state-of-art Logitech security video cameras and answer questions from the media.

San Jose Police Department receives new anti-DUI grant

Filed under *Press Release*, on 10/25/2010 11:45:00 AM by Author: Officer Jose Garcia #3532.

For Immediate Release:
October 25, 2010
San Jose, Ca.

Major Enforcement Effort Seeks to Save Lives
SAN JOSE POLICE TO COMBAT DUI DEATHS AND INJURIES
THROUGH TRAFFIC SAFETY PROGRAM

The San Jose Police Department has been awarded a new traffic safety grant for a year-long anti-DUI program aimed at preventing deaths and injuries on our roadways. Additional enforcement measures in place to combat impaired driving are coming as a result of a recent \$382,259.00 grant awarded by the California Office of Traffic Safety to City of San Jose. The San Jose Police Department is dedicated to keeping our streets safe through both enforcement and education.

"As a long time partner with the Office of Traffic Safety, the San Jose Police Department looks forward to this renewed effort toward enforcement of driving under the influence laws. We recognize that on average three people die every day in California as a result of this dangerous activity. During our 2010 DUI campaign, we hope that through awareness, education and enforcement we can continue to help reduce collisions and the resulting tragedies that are caused by drivers operating a vehicle under the influence of drugs or alcohol," said Chief Rob Davis, San Jose Police Chief.

The special DUI Enforcement and Awareness grant is geared to assist efforts to reduce the number of persons killed and injured in alcohol and other drug-related collisions in the community. The grant activities will specifically target impaired driving offenders as well as educate the public on the dangers of impaired driving. This will be accomplished through the use of DUI/driver's license checkpoints and saturation patrols.

Impaired / Drunk driving is one of America's deadliest crimes. In 2009, over 10,839 people died in highway crashes involving a driver or motorcycle operator with a blood alcohol concentration (BAC) of .08 percent or higher. California data for 2009 shows that 950 died in Alcohol Impaired Collisions, a 7.6 percent reduction in deaths from 2008.

"Everyone in California should be heartened with these figures," said Christopher J. Murphy, Director of the California Office of Traffic Safety (OTS). "But as encouraging as this is, we can't let up on the efforts to promote and enforce traffic safety. Far too many are still losing their lives or being severely injured on our roadways.

"These figures represent more people making it home safely and alive each day," said Murphy. "But to keep this trend going, we will continue to strive to meet our vision -- *Toward zero deaths, every 1 counts.*"

Funding for this program is provided by the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

San Jose:

The San Jose Police Department is conducting an investigation into an officer-involved shooting incident that occurred earlier this morning. The investigation is being monitored by the SJPD Internal Affairs Unit, the Santa Clara County District Attorneys Office and the Office of the Independent Auditor. The preliminary investigation has revealed the following.

On Thursday, October 21, 2010 at approximately 1:50 a.m. a San Jose Police Officer attempted to stop a subject for a California vehicle code infraction in the area of Cunningham Ave. and Nassau Dr. in San Jose. The vehicle sped away, but the officer was able to obtain a license plate number. Officers checked police data bases and learned that the registered owner of the vehicle had a half-a-millions-dollar felony warrant for an attempted murder. Officers determined that the wanted suspect had allegedly stabbed his father multiple times in July 2010 in San Jose. The suspect had a very violent criminal history. Officers obtained a photograph of the suspect wanted for the attempted murder and the officer who originally attempted to stop the vehicle verified that the subject driving the car he tried to stop was the same person.

Officers circulated the area in an attempt to locate the vehicle and suspect. At approximately 4:08 a.m. officers located the vehicle with the suspect sleeping in it within one mile of the original attempted car stop in the area of Seminole Way and Tampa Way in San Jose. Multiple officers were called to the area and a supervisor and officers developed a tactical plan to safely take the suspect into custody that would not allow him to flee again or be a danger to others.

The officers surrounded and blocked the suspects vehicle with patrol vehicles. Officers got on a patrol car Public Address (PA) system and started issuing commands to the suspect. The suspect put the car into gear and drove forward into a patrol car that had been pulled in front of his vehicle to block him in. Officers continued to issue commands to the suspect and he failed to comply. An officer started approaching the vehicle and the suspect responded by shooting a large caliber handgun that had an increased capacity magazine. Numerous officers returned fire. Officers could see the subject still moving around in the car and continued to order the suspect out of the car and he would not comply. Officers started evacuating residents from the immediate area and SJPD Special Operations Units were called-out from home and responded to the scene with tactical negotiators. The suspect continued to refuse to leave the vehicle. A robot was utilized to approach the vehicle and officers were able to extract the suspect from the car at approximately 8:40 a.m. and transport him to a local hospital for medical care.

The officer who initially approached the vehicle was transported to a local hospital and treated and released for minor injuries to his face and a minor injury to his leg.

Anyone with information about this incident is urged to contact the San Jose Police Department Homicide Unit, Detective Sergeant Anthony Mata or Detective John Barg at (408) 277-5283. Persons wishing to remain anonymous may contact Crime Stoppers at (408) 947-STOP (7867).

SUSPECT VEHICLE: Red, two-door car, unknown make or model, unknown license plate number.

San Jose: The San Jose Police Department is investigating an assault and attempted child abduction that occurred Tuesday, 10/12/10, around 11:45 a.m. The victim was walking north on Monterey Road with her one-year-old daughter, who was seated in a "push-and-ride" car being pushed by the victim.

The suspect, driving a red, two-door car, stopped on northbound Monterey Road, just north of the Rodling Condominiums entrance. The suspect exited his car and followed the victim on foot for several seconds before grabbing the victim and pushing her aside while reaching for the victim's daughter.

The victim fought off the suspect, causing him to run back to his vehicle and flee. The suspect was described as an Hispanic male, in his late 20's to early 30's, 5'8" to 5'9" tall, average build, dark hair and eyes, and wearing a black tee shirt and a navy blue mechanic's style jumpsuit. The suspect was also described as being very sweaty and dirty with grease or oil.

Anyone with information about this case is urged to contact Detective Carlos Melo of the San Jose Police Department's assaults unit at (408) 277-4161. Persons wishing to remain anonymous may call the Silicon Valley Crime Stoppers at (408) 947-STOP (7867).

CASE: 10-240-0246

On 8/28/10, approximately 6:39 a.m., an armed robbery occurred at the Chase Bank ATM vestibule, 1705 E. Capitol Expressway, in San Jose. The 40-year-old female victim was approached from behind by the suspect as she stood at the automated teller machine (ATM). The suspect was armed with a knife and placed his arm around the victim's neck while demanding money. The suspect robbed the victim before fleeing on foot in an unknown direction.

The suspect was described as male, unknown race, between 5'7" and 5'11" tall, 160-170 lbs., wearing a black hooded sweatshirt or jacket, black pants, and black and white shoes.

CASE: 10-245-0044

On 9/2/10, approximately 12:35 a.m., a second armed robbery occurred at the Chase Bank ATM vestibule, 1705 E. Capitol Expressway, in San Jose. The 43-year-old female victim was approached from behind by the suspect as she stood at the ATM. The suspect placed his arm around the victim's neck and demanded money. The suspect knocked the victim to the ground and fled on foot in an unknown direction before he was able to rob her. No weapons were seen and the victim was uninjured.

The suspect was described as African-American, between 5'10" and 6'00" tall, thin build, wearing a dark colored hooded jacket and black shoes. The suspect may also have a mustache and dreadlock hairstyle.

It is believed the same suspect is responsible for both robberies. The San Jose Police Department asks for the public's assistance in identifying the suspect.

MAJOR AWARDS BANQUET
FOURTH STREET SUMMIT CENTER**

**88 S. 4TH STREET, 7TH FLOOR
SAN JOSE, CA 95192**

**THURSDAY SEPTEMBER 9, 2010
AWARDS RECEPTION AND CEREMONY 5:00 PM to 8:30 PM**

On Thursday September 9, 2010 at 5:00 p.m., the San Jose Police Department will host the Department's Annual Major Awards Banquet at the Fourth Street Summit Center. The purpose of the banquet is to honor officers and community members who have acted selflessly, and in extraordinary fashion, in the protection and defense of their fellow citizens and their community.

Eleven Citizens and ten police officers are due to be recognized at this event. Many of the awards to be presented are for life saving efforts. Some of those recipients are:

1. Mr. Kim Komenich, who was present as a suspect attempted to rob a bank. Despite overhearing the suspect inform the bank teller that he was armed, Mr. Komenich grabbed the suspect and held him for responding officers. As a result of his actions, three suspects were arrested without incident.
2. Mr. Sergio Jimenez, Mr. Justo Magana-Garcia and Mr. James Meyers who observed a violent automobile accident wherein the driver was trapped in a burning vehicle. The three rescuers braved hazards presented by the burning car and downed power lines to extricate the victim from the wreckage and to save him from fatal injury.
3. Officer Matt Bordoni, who saved a choking 2 year-old and prevented greater tragedy.

San Jose Police Chief Robert L. Davis will be present to present the awards.

A full list of the recipients will be available at the banquet.

Updated: Labor Day Weekend Sobriety & Driver License Checkpoint, Saturday, 9/4/10.

Filed under *Press Release*, on 9/4/2010 6:59:00 PM by Author: Officer Jose Garcia #3532.

Update

Major Enforcement Effort Seeks to Save Lives

Sobriety and Driver License Checkpoint

San Jose, California

Saturday, September 4, 2010

9:00PM to 3:00AM

San Jose Police Department Targets Impaired Drivers with Sobriety Checkpoint during Labor Day Weekend

The San Jose Police Department will conduct a sobriety and driver license checkpoint in the City of San Jose on Saturday, September 4, 2010 from 9:00 p.m. to 3:00 a.m., at Monterey Highway and Fehren Drive, in San Jose.

In an effort to reduce the number of persons killed and injured in alcohol-related crashes, sobriety checkpoints are conducted to identify offenders and get them off the street, as well as to educate the public on the dangers of impaired driving.

All too often, members of our community are senselessly injured or killed on local roadways by impaired drivers. This DUI / driver license checkpoint conducted in an effort to reduce those tragedies, as well as to ensure motorists have a valid driver license. A major component of these checkpoints is to increase awareness of the dangers of impaired driving and to encourage sober designated drivers.

A sobriety checkpoint is a proven and effective method for achieving this goal. By publicizing these enforcement and educational efforts, the San Jose Police Department believes motorists can be deterred from drinking and driving.

Traffic volume and weather permitting, all vehicles may be checked, and drivers who are under the influence of alcohol and/or drugs will be arrested. Our objective is to send a clear message to those who are considering operating a motor vehicle after consuming alcohol and/or drugs: *Drunk Driving, Over the Limit, Under Arrest.*

The public is encouraged to help keep roadways safe by calling 9-1-1 if they observe a suspected impaired driver.

Funding for this operation is provided by a grant from the California Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA).

The San Jose Police Department's DUI enforcement efforts are dedicated to the memory of 4-year-old Jose Cortes-Diaz, killed July 11, 2010 by a DUI driver, and to all victim's of DUI-related incidents.

Inquires can be directed to Sgt. Steven Angel at 408-277-4341.

Much discussion is taking place across the country concerning what responsibility local police departments have to ensure compliance with immigration laws. While the San Jose Police Department stands ready to work with any law enforcement agency to pursue violent suspects, regardless of a suspect's immigration status, the Department has a longstanding policy of not arresting persons based solely upon their failure to comply with Federal immigration laws. This longstanding policy was reaffirmed by the San Jose City Council on March 6, 2007, through its adoption of Resolution No. 73677, which states, in part:

"The City of San Jose has a strong interest in assuring that legal and undocumented immigrants do not fear interacting with their local governmental authorities. In past years, the City has seen how the reluctance of immigrants to interact with local authorities can critically undermine the health and safety of our community. For example, the failure of victims to report crimes, the reluctance of witnesses to cooperate with the police, or the unwillingness of parents to take children to school or to a health clinic, can have grave impacts on the well-being of all of San Jose's residents, including U.S. citizens.

The city of San Jose reaffirms the San Jose Police Department's longstanding policy that its officers will not arrest persons merely for their unlawful presence in the United States; that no otherwise law-abiding undocumented immigrants should fear arrest or deportation for coming forward to report a crime as a victim or witness; and that no otherwise law-abiding undocumented immigrants should fear arrest or deportation by contacting any employee of the city of San Jose to express concerns or to ask questions. Moreover, the City of San Jose maintains that Immigration and Customs Enforcement (ICE) raids -- while laudable where they target violent or predatory criminals for deportation -- can have harsh and unintended consequences. Those sweeps that have cast the net widely to arrest otherwise law-abiding undocumented immigrants have raised the Council's concern, insofar as they undermine the ability of our police, fire department, and other city agencies to interact with fearful immigrants, leaving all of San Jose's residents less safe."

The San Jose Police Department recognizes the value of maintaining the community's trust, and it is only by doing so that the Department is able to partner with the community to garner cooperation and provide the highest quality of service and protection to all community members, regardless of immigration status.

Missing Person - 1700 block of De Rose Way

Filed under *Press Release*, on 9/2/2010 2:43:00 PM by Author: Sergeant Ronnie Lopez #3187.

TYPE OF CRIME: Missing Person
LOCATION: 1700 block of De Rose Way

CASE NUMBER: 10-125-9502
DATE: 4/30/2010 **TIME:** 5:13 P.M.

VICTIM: Virdell Green, Jr.
ADDRESS: San Jose Resident

AGE: 46 years

VEHICLE: Black 2002 Jeep Liberty SUV

San Jose: The San Jose Police Department is investigating the disappearance of 46-year-old Virdell Green, Jr., of San Jose. Virdell was reported missing by his employer on Wednesday, 5/5/10, after failing to show for work in Santa Cruz on 5/3/10.

Virdell was last heard from on 4/30/10 at 5:13 p.m. after leaving a voice mail message for his current girlfriend. His car, a Black 2002 Jeep Liberty sports utility vehicle, was located at his ex-girlfriend's house in San Jose later that evening around 8:00 p.m., along with keys and personal property. However, Virdell was not seen parking the vehicle by any witnesses; it is unknown who actually parked the vehicle at that location. (Virdell Green and his ex-girlfriend have a child in common and maintain contact for that reason.)

Virdell Green is also member of a local musical group. Investigation revealed Virdell Green failed to show for musical performance engagements and band rehearsal since 4/30/10.

Family, friends, and coworkers have not heard from Virdell, which is reportedly uncharacteristic of him. He failed to call his employer or band members to report any planned absences, which is extremely out of character for him.

Virdell is African-American, between 5'7" and 5'8" in height, between 170-180 lbs., black hair and brown eyes, and known to wear prescription glasses and earrings (unknown if ears are pierced).

As of today, Thursday, September 2, 2010, Mr. Virdell Green remains missing and the investigation continues with no new developments. San Jose Police detectives are requesting the media rebroadcast the information in hopes to generate further leads.

Anyone with information regarding Mr. Green or his whereabouts is urged to call the San Jose Police Department, Missing Persons Unit, at (408) 277-4786 during normal business hours.

If calling after hours, please dial (408) 277-8900 or 9-1-1. Persons wishing to remain anonymous can call the Crime Stoppers tip line at (408) 947-STOP (7687).

Sobriety and Driver License Checkpoint

San Jose, California

Saturday, September 4, 2010

9:00PM to 3:00AM

San Jose Police Department Targets Impaired Drivers with Sobriety Checkpoint during Labor Day Weekend

The San Jose Police Department will conduct a sobriety and driver license checkpoint in the City of San Jose on Saturday, September 4, 2010, from 9:00 p.m. to 3:00 a.m.

In an effort to reduce the number of persons killed and injured in alcohol-related crashes, sobriety checkpoints are conducted to identify offenders and get them off the street, as well as to educate the public on the dangers of impaired driving.

All too often, members of our community are senselessly injured or killed on local roadways by impaired drivers. This sobriety / driver license checkpoint is an effort to reduce those tragedies, as well as ensuring motorists have a valid driver license. A major component of these checkpoints is to increase awareness of the dangers of impaired driving and to encourage sober designated drivers.

A sobriety checkpoint is a proven and effective method for achieving this goal. By publicizing these enforcement and educational efforts, the San Jose Police Department believes motorists can be deterred from drinking and driving.

Traffic volume and weather permitting, all vehicles may be checked and drivers who are under the influence of alcohol and/or drugs will be arrested. Our objective is to send a clear message to those who are considering driving a motor vehicle after consuming alcohol and/or drugs: *Drunk Driving, Over the Limit, Under Arrest.*

The public is encouraged to help keep roadways safe by calling 9-1-1 if they observe a suspected impaired driver. Funding for this operation is provided by a grant from the California Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA).

The San Jose Police Department's DUI enforcement efforts are dedicated to the memory of 4-year-old Jose Cortes-Diaz, killed July 11, 2010 by a DUI driver, and to all victims of DUI-related incidents.

Inquires can be directed to Sgt. Steven Angel at 408-277-4341.

San Jose:

On Sunday, August 29, 2010, at approximately 9:16 AM, San Jose police officers responded to a 9-1-1 call of an attempted suicide on the 5000 block of Wong Ct. The reporting person called the police saying her estranged husband shot himself with a nail gun several times and wanted to die.

Arriving officers made numerous attempts to contact the 42-year old male from outside his home but were unsuccessful. A Crisis Intervention Trained (CIT) supervisor and officers spent time trying to communicate with the subject. During this time, emergency medical personnel were staged nearby to render medical aid. After repeated requests to open the door, with no response, officers forced entry to check on the welfare of the subject.

Upon entry, officers observed that the subject had self-inflicted wounds and was armed with a knife that was approximately 10-inches in length. The subject confronted the officers who then discharged their firearms, striking the male. The male was pronounced deceased at the scene.

Anyone with information is urged to contact Detective Sergeant Kevin Abruzzini or Detective Brian Spears of the San Jose Police Department's Homicide Unit, at 408-277-5283. Persons wishing to remain anonymous may call Crime Stoppers at 408-947-STOP (7867)

TYPE OF CRIME: Assault with a Deadly Weapon

CASE NUMBER: 10-231-0717

LOCATION: 500 block of Southside Drive

DATE: 8/19/10 2010 **TIME:** 11:35 PM

SUSPECT: Simon Vidal
ADDRESS: San Jose Resident

AGE: 39 (Male)

San Jose:

On Thursday, August 19, 2010, at approximately 11:35 p.m., San Jose police officers attempted to apprehend Simon Vidal, a parolee-at-large, who was considered to be armed and dangerous. The suspect had exited a residence and entered a stolen vehicle as the driver, along with two female adult passengers.

As officers approached, the suspect assaulted them by intentionally ramming his vehicle into several marked police cars as he steered towards officers. A 4-year veteran officer, discharged his duty firearm, striking the suspect's car.

Neither the suspect nor his passengers was struck by the officer's bullets and managed to escape. The suspect led officers on a high speed vehicle pursuit through the streets of San Jose and onto I-280. The suspect's vehicle slowed down as it traveled south on I-280 near McLaughlin Avenue.

After the suspect vehicle was stopped he attempted to flee on foot, but was apprehended by a San Jose police canine. The suspect continued to resist arrest and officers deployed the Taser device. The suspect was taken into custody without further incident. The two passengers were questioned and released after determining they were unwilling participants in this incident.

The suspect was taken to a local hospital, where he was medically cleared for jail booking. No one else was injured in this incident. The suspect was booked into the Santa Clara County Jail on the following felony charges:

California Penal Code, section 245(a)(1): Assault with a deadly weapon;
California Vehicle Code, section 10851(a): Possession of a stolen vehicle;
California Vehicle Code, section 2800.1: Evading a police officer;
California Penal Code, section 207: Kidnapping;
California Penal Code, section 236: False imprisonment;
California Penal Code, section 3056: Parole Violation warrant.

The suspect also was booked on a \$20,000.00 misdemeanor warrant for narcotics violations.

Anyone with information on this case is urged to call Detective Sergeant Dave Tindall or Detective John Barg of the San Jose Police Department's homicide unit at (408) 277-5283. Persons wishing to remain anonymous may call the Silicon Valley Crime Stoppers at (408) 947-STOP (7867).

City of San Jose, 2010 Back-to-School Safety Advisory

Filed under *Press Release*, on 8/19/2010 3:30:00 PM by Author: Officer Jose Garcia #3532.

Back-to-School Safety Advisory

DETAILS:

If you see kids, slow DOWN!

The San Jose Police Department wants to remind everyone about school zone safety as our kids go back to school:

Parents, when driving in school zones:

- ✿ Come to a complete stop at stop signs.
- ✿ Always yield to pedestrians in crosswalks.
- ✿ Only load passengers at the curb in the designated safe loading zones.
- ✿ Keep alert by focusing on the road and avoid distractions such as cell phones.
- ✿ Expect children to pop up in the wrong place!
- ✿ As a driver, the two most important things you can do to improve safety for our kids is to SLOW DOWN and PAY ATTENTION, especially in school zones.

Teach the children in your life to:

- ✿ Walk on the sidewalk, not in the street.
- ✿ Look ALL ways before crossing the street.
- ✿ Make eye contact with drivers before stepping off the curb.
- ✿ Cross the street only in the crosswalk or at an intersection, NOT in the middle of the block.
- ✿ Watch for backing cars.
- ✿ Obey adult crossing guards and school safety patrols.
- ✿ Pay attention to cars when walking or biking.
- ✿ Never step out from between parked cars (drivers can't see them in time to stop).

This information needs to be reinforced by parents and schools, and -- most of all -- modeled by adults. Let's all try to serve as good role models by teaching our children how to stay safe.

As our kids go back to school, please remember to drive safely and SLOW DOWN in school zones. Help protect the most vulnerable members of our community: our children.

Ponzi fraud scheme suspect arrested by the San Jose police.

Filed under *Press Release*, on 8/18/2010 3:00:00 PM by Author: Officer Jose Garcia #3532.

TYPE OF CRIME: Fraud / Ponzi Scheme

LOCATION: City of San Jose

CASE NUMBER: 08-092-9729

DATE: Between 2006 and 2007

VICTIMS: 35 Victims

ADDRESS: San Jose and various Bay Area cities.

AGE: Adults

SUSPECT: Raul Octavio Vicente

ADDRESS: Walnut Creek Resident

AGE: 52 Years (Male)

BUSINESS: ADEK Financial, Inc.

Fairfield, Concord, Colma, and San Jose

San Jose:

On 8/14/10, 7:00 p.m., Raul Octavio Vicente, 52, of Walnut Creek, was arrested on a 1 million dollar warrant and booked into the Santa Clara County Jail on various fraud-related charges following an extensive criminal investigation.

Vicente operated ADEK Financial, Inc., a financial and investment advisory business, and maintained offices in Fairfield, Concord, Colma, and San Jose. Vicente targeted the Spanish-speaking community and defrauded thirty five victims of 2.2 million dollars in a Ponzi scheme in 2006 and 2007, with promises of high profit returns.

Vicente regularly held live radio broadcasts on local Spanish radio stations, where he advertised his business and attempted to lure victims to invest their money through his company. As Vicente failed to gain additional victims to sustain his scheme, he attempted to convince existing victims to reinvest their money through his company for an additional year. However, after failing to lure additional victims to invest and passing non-sufficient funds (NSF) checks to existing victims, Vicente closed his business, and all offices, at the end of 2007.

Prior to Vicente closing his business, some of the victims received partial payment of their investments; however, most victims were not reimbursed any of their investment, prompting the thirty five victims to collectively report Vicente to the police in early 2008.

Investigators with San Jose Police Department's fraud unit arrested Vicente at his place of employment in San Jose without incident, where he was employed in an unrelated field.

Anyone having been the victim of Vicente's scheme or having information about this case is urged to call Detective H. Gutierrez of the San Jose Police Department's fraud unit at (408) 277-4521. Persons wishing to remain anonymous may call the Silicon Valley Crime Stoppers at (408) 947-STOP (7867).

San Jose:

On 8/10/10, approximately 12:00 p.m., several suspects robbed the Check 'n Go Payday Loans business at 461 Blossom Hill Road at gunpoint.

The employees, a 27-year-old female and a 23-year-old male, were held at gunpoint while suspects removed an undisclosed amount of cash from the business. During the robbery, one suspect discharged his firearm, striking the 23-year-old clerk.

The suspects fled in their vehicle and were observed by patrol sergeants Rick Foster and Dale Harris in the area of SR-87 near Curtner Avenue. Sgt. Foster and Sgt. Harris followed the suspects several miles and initiated a car stop in the area of Jackson

Avenue and Interstate 680. All of the suspects exited the car and fled on foot in different directions. Sergeants Foster and Harris were able to coordinate the safe apprehension of all five suspects. Robbery Detectives responded to the scene and coordinated the investigation with patrol personnel.

The 23-years-old victim was taken to a local hospital, where he was admitted with non life-threatening injuries. The suspects were booked into the Santa Clara County Jail on robbery, attempted murder, and various other felony charges.

Anyone with information on this case or any similar cases is asked to call Detective Mitchell of the San Jose Police Department Robbery Unit at (408) 277-4166. Persons wishing to remain anonymous may call Crime Stoppers at (408) 947-STOP.

San Jose PD arrests 21-year-old San Jose man on sexual assault charges.

Filed under *Press Release*, on 8/11/2010 7:45:00 AM by Author: Officer Jose Garcia #3532.

TYPE OF CRIME: Sexual Assault / Probation Violation **CASE NUMBER:** 10-214-0857
LOCATION: Regional Medical Center, 200 Jose Figueres Court **DATE:** 8/2/2010 **TIME:** 8:30 PM

VICTIM: Withheld **AGE:** Withheld (Female)
San Jose Resident

SUSPECT: Steven Ray Cooley **AGE:** 21 (Male)
ADDRESS: 140 (b) Aguacate Court, San Jose

San Jose:

On 08/02/10, approximately 8:02 p.m., an attempted sexual assault occurred at the medical office buildings of Regional Medical Center, 200 Jose Figueres Court. The victim, employed as a janitor, was confronted by the suspect, identified as Steven Cooley, as she worked alone in a restroom. When Cooley exposed himself and attempted to assault the victim, she screamed, causing him to flee the area.

Patrol officers Robert Magdaleno and Jaime Jimenez investigated the assault and were able to retrieve surveillance photos of the suspect. The following night Officers Magdaleno and Jimenez canvassed the area of the incident for possible witnesses, in between calls for service.

While conducting the canvass, the officers saw Cooley, who matched the suspect description, and contacted him. Their investigation revealed Cooley was a sex registrant. The officers developed additional information and based on their investigation, the officers arrested Steven Cooley for his possible involvement in this incident.

Detectives Mike Ghezzi and Sean Morgan from the Departments Sexual Assault Investigation Unit interviewed Cooley, where he made incriminating admissions as to his involvement in this assault. Cooley was booked in the Santa Clara County Main Jail on sexual assault and probation violation charges.

Anyone with information on this case or any similar cases is asked to call Detective Ghezzi of the San Jose Police Departments 290 Team at (408) 277-4102. Persons wishing to remain anonymous may call Crime Stoppers at (408) 947-STOP.

San Jose, California

Friday, August 13, 2010

9:00PM to 3:00AM

San Jose Police Department Targets Impaired Drivers with Sobriety Checkpoint

The San Jose Police Department will conduct a sobriety and driver license checkpoint in the City of San Jose on Friday, August 13, 2010 from 9:00 p.m. to 3:00 a.m.

In an effort to reduce the number of persons killed and injured in alcohol-related crashes, sobriety checkpoints are conducted to identify offenders and get them off the street, as well as to educate the public on the dangers of impaired driving.

All too often, members of our community are senselessly injured or killed on local roadways by impaired drivers. This sobriety / driver license checkpoint is an effort to reduce those tragedies, as well as ensuring motorists have a valid driver license. A major component of these checkpoints is to increase awareness of the dangers of impaired driving and to encourage sober designated drivers.

A sobriety checkpoint is a proven and effective method for achieving this goal. By publicizing these enforcement and educational efforts, the San Jose Police Department believes motorists can be deterred from drinking and driving.

Traffic volume- and weather permitting, all vehicles may be checked and drivers who are under the influence of alcohol and/or drugs will be arrested. Our objective is to send a clear message to those who are considering driving a motor vehicle after consuming alcohol and/or drugs: *Drunk Driving, Over the Limit, Under Arrest.*

The public is encouraged to help keep roadways safe by calling 9-1-1 if they observe a suspected impaired driver. Funding for this operation is provided by a grant from the California Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA).

Inquires can be directed to Sgt. Steven Angel at 408-277-4341.

SUSPECT: John Tran
ADDRESS: San Jose Resident

AGE: 37 Years (Male)

San Jose:

**** See update information below ****

Following an investigation by the San Jose Police Department, the Santa Clara County District Attorney's Office Elder Fraud Unit has issued a criminal complaint charging ex-Bank Manager John Tran, formerly of Wells Fargo Bank in San Jose, with several charges including Theft from an Elder, Grand Theft and Forgery.

From March 2008 to February 2009, Tran was a manager at Wells Fargo Bank on Lincoln Avenue in San Jose. Tran befriended several elderly clients, and even made visits to their homes. Unbeknownst to the clients, in February 2009 his employment with the bank ceased, yet he continued visiting some of the bank's customers. In some instances, Tran convinced elderly customers to invest in certain CDs, only to pocket the money himself through an elaborate money-laundering scheme. In other instances, Tran forged signatures of bank customers, including recently deceased senior citizens, and simply drained their bank accounts. Tran is alleged to have structured over \$900,000 in suspicious transactions. Tran was arrested on March 10, 2010.

Suspect: John Tran

Anyone with information about this crime, or who thinks they might be a victim is requested to call Detective Leonard Lim of the San Jose Police Department's Financial Crimes Division at (408) 277-4521.

Filed in cooperation with the Santa Clara County District Attorney's Office.

**** UPDATE: Filed August 3, 2010, by Officer Jose Garcia #3532 ****

On Friday, July 30, 2010, John Tran pleaded guilty to all charges in this case and agreed to a 6-year prison term in the California Department of Corrections. Tran also agreed to pay \$553,000.00 in restitution to Wells Fargo Bank, as Wells Fargo Bank had previously reimbursed all of its customers who had been victims of Tran's scheme. Tran will formally be sentenced Tuesday, October 5, 2010.

MEDIA ADVISORY National Night Out 2010

FOR IMMEDIATE RELEASE

CONTACT: Kim Gaddis

Date July 28, 2010

National Night Out 2010

On Tuesday, August 3rd, neighborhoods throughout San Jose will once again join forces with thousands of communities nationwide for the "**27th Annual National Night Out**". National Night Out will involve over 10,000 communities from all 50 States, U.S. Territories, Canadian cities and military bases around the world. In all, over 34 million people are expected to participate in "Americas Night Out Against Crime".

National Night Out is designed to: (1) Heighten crime and drug awareness; (2) Generate support for, and participation in, local anticrime efforts; (3) Strengthen neighborhood spirit and police/community partnerships; and (4) Send a message to criminals letting them know neighborhoods are organized and fighting back.

From 5 to 10 p.m. on August 3rd, residents in neighborhoods throughout San Jose and across the nation are asked to lock their doors, turn on outside lights and spend an evening outside with neighbors and police. Many neighborhoods throughout San Jose will be hosting a variety of special events such as block parties, cookouts, ice cream socials, barbeques and informal gatherings. National Night Out events don't have to be big or expensive. The important thing is to spend some time enjoying your neighborhood and getting to know your neighbors. Relax in the front yard, talk with neighbors and watch the kids play. You'll be supporting crime prevention efforts in San Jose while celebrating your neighborhood.

This year approximately 80 San Jose neighborhoods showed their support for National Night Out by registering to enjoy an evening with their neighbors and local police officers. Questions regarding this event should be directed to the San Jose Police Department Crime Prevention Unit at (408) 277-4133. We hope you will join us this Tuesday, August 3rd and *Give Crime & Drugs A Going Away Party*.

San Jose:

On Friday, June 25, 2010, 54-year-old San Jose resident Gilbert Flores was taken to Regional Medical Center, 225 North Jackson Street, San Jose, while unconscious. He was taken to the hospital by friends who claimed he had fallen and hit his head.

On Wednesday, June 30, 2010, Mr. Flores succumbed to his injuries and was pronounced dead at the hospital. The Santa Clara County Medical Examiner - Coroner's office received information that Mr. Flores could have been the victim of an assault, where he sustained his fatal injuries. The San Jose Police Department's homicide unit launched an investigation into Mr. Gilbert's death, which marked San Jose's 14th homicide of the year.

The investigation led to the identification of 34-year-old Adrian De La Torre Sarmiento as the suspect in this homicide. Sarmiento was in custody at the Santa Clara County Jail on a prior, unrelated charge. The Santa Clara County District Attorney's office has charged Sarmiento with Mr. Flores' homicide. Sarmiento remains in custody at the Santa Clara County Main Jail.

Anyone with information in the case is urged to contact San Jose Police Department's Homicide Detective Sergeants Tony Mata or Dave Gutierrez at 408-277-5283. Persons wishing to remain anonymous may call Crime Stoppers at 408-947-STOP (7867).

**Sobriety and Driver's License Checkpoint
San Jose, California**

Saturday, July 3, 2010

9:00PM to 3:00AM

**San Jose Police Department Targets Impaired Drivers
with Checkpoint**

The San Jose Police Department will conduct a sobriety and driver's license checkpoint in the City of San Jose on Saturday, July 3, 2010 from 9:00 p.m. to 3:00 a.m., at E. Santa Clara and Fifth streets, in San Jose.

In an effort to reduce the number of persons killed and injured in alcohol-related crashes, sobriety checkpoints are conducted to identify offenders and get them off the street, as well as to educate the public on the dangers of impaired driving.

All too often, members of our community are senselessly injured or killed on local roadways by impaired drivers. This DUI/driver's license checkpoint is an effort to reduce those tragedies, as well as ensuring motorists have a valid driver license. A major component of these checkpoints is to increase awareness of the dangers of impaired driving and to encourage sober designated drivers.

A sobriety checkpoint is a proven and effective method for achieving this goal. By publicizing these enforcement and educational efforts, the San Jose Police Department believes motorists can be deterred from drinking and driving.

Traffic volume- and weather permitting, all vehicles may be checked and drivers who are under the influence of alcohol and/or drugs will be arrested. Our objective is to send a clear message to those who are considering driving a motor vehicle after consuming alcohol and/or drug: *Drunk Driving, Over the Limit, Under Arrest.*

The public is encouraged to help keep roadways safe by calling 9-1-1 if they observe a suspected impaired driver.

Funding for this operation is provided by a grant from the California Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA).

Inquires can be directed to Sgt. Steven Angel at 408-277-4341.

Missing Person: 76-year-old woman with possible memory loss.

Filed under *Press Release*, on 7/1/2010 5:11:00 PM by Author: Officer Jose Garcia #3532.

TYPE OF CRIME: Missing Person
LOCATION: 5000 block of Sunspring Circle

CASE NUMBER: 10-181-1119
DATE: 6/28/2010 **TIME:** 12:00 PM

VICTIM: Dat Thi Huynh
ADDRESS: San Jose Resident
PHYSICAL DESCRIPTION:

AGE: 76 Years (Female)
Gray Hair, Dark Eyes, 5 feet tall, 095 lbs.
Possibly wearing a white shirt and black pants.

San Jose: The San Jose Police Department is investigating the disappearance of 76-year-old Dat Thi Huynh of San Jose. Huynh lives alone and was last seen at her residence Monday, June 28, 2010, around 12:00 p.m. by a family member. Huynh's son, who visits her daily, stopped by her house later that day, around 6:30 p.m., and she was not home. The house was found locked and undisturbed; there were no signs of foul play.

Family members checked on Huynh the following day, Tuesday, June 29, 2010 around 6:30 p.m.; however, she was not home.

Because Huynh is known to walk daily in the morning and evening hours, family members believed she happen to be out on her walks each of the times they checked on her and did not suspect she was missing.

Family members returned to check on Huynh on Wednesday, June 30, 2010, around 6:30 p.m. and, again, found that she was not home, at which point they notified the San Jose Police Department.

According to Huynh's family, she is known to be forgetful and possibly suffers from Alzheimer's Disease. Huynh speaks only Vietnamese and may not approach non-Vietnamese speaking persons to ask for help.

Huynh is also known to ride the Santa Clara Valley Transit Authority (VTA) bus system.

Please note, Huynh has gray hair, not dark, as depicted in the photograph.

Anyone with information on this case is asked to call San Jose Police Department's missing persons unit at (408) 277-4786. Persons wishing to remain anonymous may call Crime Stoppers at (408) 947-STOP (7867).

Media Advisory - Summertime Safety

Filed under *Press Release*, on 6/17/2010 1:47:00 PM by Author: Officer Jose Garcia #3532.

Media Advisory "Summertime Safety"

DETAILS:

With summer vacation under way, the San Jose Police Department and the Family Violence Unit want to remind parents, guardians and babysitters to take extra care with little ones this year. Tragic reminders surround us every day:

In 2006, San Jose Police Officers investigated 15 cases of children falling out of second-floor windows. There have been 3 such cases since January 2008;

Officers have responded to numerous complaints from concerned citizens about children left in locked cars in sweltering heat;

In the past several years, San Jose Police Officers have investigated numerous drownings or near-drownings of children, some as old as 11 years of age, in bathtubs and home or apartment swimming pools. There have been 6 such cases since January 2008;

In April 2002, San Jose Police Officers removed two small children, one 3-years-old and one 10-months-old, who were locked in a car. The officers estimated the interior temperature of the vehicle to be 100 degrees. The father was shopping at a nearby commercial center.

In May 2000, San Jose Police Officers removed a two-year-old from a car when the child was found by a passer-by. The child's mother was shopping at Eastridge Mall in east San Jose.

In June 2000, San Jose Police Officers removed a three-year-old from a car when the child was found by a passer-by. The outside temperature was 83 degrees and the inside temperature of the car was well over 100 degrees. The child's mother was shopping at Westgate Mall in west San Jose.

Also, California law requires persons under 18 years of age to wear a safety helmet while bicycling, roller skating, rollerblading, or riding a non-motorized scooter. Persons under 18 years of age must also wear a safety helmet while riding as a passenger on a bicycle, non-motorized scooter, or skateboard. This requirement also applies to a person who rides upon a bicycle while in a restraining seat that is attached to the bicycle or in a trailer towed by the bicycle.

Many of these cases have resulted in criminal charges being filed against the parent or guardian. The most tragic scenario is a parent, guardian or babysitter living a lifetime of regret over an injury or death that could easily have been prevented.

The San Jose Police Department reminds parents, guardians and babysitters to make good decisions this summer. Know where your children are. If you have to leave them, even momentarily, make sure that someone else is watching them for you. It takes only an instant to change a young life, or yours forever.

AGE: 29 (Female)

Suspect Phillip Michael Dominguez

Suspect Racquel Martinez

San Jose: On June 15, 2010, the San Jose Police Department responded to the 600 block of Balfour Drive on a reported child kidnapping and sexual assault. Police arrived and discovered the suspect had forcibly taken the victim, a 5-year-old girl, from the front lawn area of her residence while playing. The suspect then took the victim to his nearby residence, where he sexually assaulted her. The suspect later released the victim.

Police immediately initiated a detailed criminal investigation and identified Phillip Michael Dominguez as the suspect. Dominguez fled the scene prior to police arrival and a warrant was issued for his arrest. Police learned of Dominguez' whereabouts through follow-up investigation and arrested him the following morning.

Dominguez' girlfriend, Racquel Martinez, was also arrested for aiding and abetting in this crime.

Both Dominguez and Martinez were booked into the Santa Clara County Main Jail.

Anyone with information on this case is asked to call Detectives Martin or Ichige, or Sgt. Robb, of the San Jose Police Department's Child Exploitation Detail at (408) 277-4102. Persons wishing to remain anonymous may call Crime Stoppers at (408) 947-STOP.

SJPD's first Vietnamese-speaking Citizens' Academy graduates Wednesday, 6/16/2010.

Filed under *Press Release*, on 6/14/2010 1:45:00 PM by Author: Officer Jose Garcia #3532.

Media Advisory

WHAT: Vietnamese-Speaking Citizens' Academy Graduation Ceremony

WHO: San Jose Police Department

WHEN: Wednesday, June 16, 2010 at 6:30 p.m.

WHERE: San Jose Police Department
Academy Classroom
151 West Mission Street, Second Floor
San Jose, CA 95110

The San Jose Police Department extends an invitation to local media representatives to the graduation ceremony for members of the Department's first Vietnamese-Speaking Citizens' Academy. The ceremony will be held Wednesday, June 16, 2010, at the San Jose Police Academy, 151 West Mission Street, in San Jose, beginning at 6:30 p.m.

The ten-week academy, taught by experienced Vietnamese-speaking police officers, is designed to provide residents an opportunity to interact with officers and learn about the department, as well as a chance for officers to become better acquainted with residents.

The Vietnamese-language academy follows the well-received Spanish-speaking Citizens' Academy presented earlier this year by the San Jose Police Department, and included the following topics:

- Police Ethics
- Police use of force
- Firearms Safety
- Vehicle and Pedestrian Contacts
- Laws of Arrest
- Search and Seizure
- Officer Policy, Procedures, and Safety
- Criminal, Traffic, and Domestic Violence Laws
- Departmental Operations

The San Jose Police Department believes these programs benefit both officers and the public and plans to offer additional sessions in the future. Members of the media are invited to join graduates and department members for this special occasion.

The San Jose Police Academy is located on the northeast corner of West Mission and N. San Pedro streets, near the old San Jose City Hall. Parking is available in the lot directly north of the academy after 6:00 p.m. Street parking is also available on West Mission or N. San Pedro streets.

San Jose: San Jose Police investigators have arrested three suspects believed to be connected to at least 30 residential burglaries in San Jose, most of which occurred in the Willow Glen and Santa Teresa areas. The break-ins took place from approximately early January through May of 2010. During that time, witnesses provided police with descriptions of suspects and one vehicle, described as a silver older American-made four-door sedan.

A break in the case occurred on Tuesday, May 4, 2010 at approximately 1120 hours, when a caller to the San Jose Police Department reported that several individuals appeared to be trying to burglarize homes near Lincoln Ave. and Broadway Ave. in the Willow Glen area. When officers arrived, they determined that the suspects had left the scene. Officers immediately obtained and broadcast over the police radio a description of the suspects and their vehicle, which matched the descriptions provided by earlier witnesses.

Over the next several minutes, officers observed the vehicle in motion on two separate occasions but could not get close enough to safely make an enforcement stop due to traffic conditions on and around Lincoln Ave. They were, however, able to determine that

there were three occupants inside the vehicle.

At approximately 1129 hours, an officer saw the suspect vehicle parked and unoccupied in front of a residence in the 900 block of Northrup St. in San Jose, which is about 2 blocks from the location of the original burglary-in-progress call. Officers made contact at the residence and a female adult, later identified as 20-year-old Shalita Bolden, answered the door. Following an investigation, officers were able to associate Bolden with the suspect vehicle, and upon searching the vehicle, officers located stolen property inside. During a search of Bolden's residence, investigators recovered additional stolen items.

Suspect Shalita Bolden was arrested for PC 496, buying or receiving stolen property, and was booked into the Santa Clara County Jail. Detectives later determined that Albert Charles Bolden, the brother of Shalita Bolden, had also been an occupant of the vehicle at the time it was observed by officers. Investigators immediately began searching for Albert Bolden and conducting surveillance on multiple locations that he had been known to frequent. Meanwhile, another residential burglary occurred in the Edenvale area of San Jose on Monday, May 24th. Numerous firearms were taken from the residence. Evidence collected at the scene linked suspect Albert Bolden to the break-in.

The next day, a resident of Amby Dr. in San Jose called police to report two males climbing over her neighbor's fence. Patrol officers quickly arrived on the scene and took the pair into custody. One of those captured was Albert Bolden. The second suspect was 22-year-old Lamarcus White. Detectives believe these suspects and possibly others--either working together or alone--may be linked to more than 30 residential burglaries in San Jose. Subsequent investigation led to the recovery of all the firearms taken during the May 24th burglary.

The three suspects are charged with the following crimes:

Shalita Bolden: Four counts of buying or receiving stolen property.

Albert Bolden: Ten counts of burglary, one count possession of a controlled substance, and one count of possession of less than one ounce of marijuana.

Lamarcus White: Two counts of burglary.

Investigators say the assistance of residents was invaluable and helped lead to the capture of the suspects. Neighbors not only recognized and immediately reported suspicious activity in their neighborhood but also provided police with accurate suspect and vehicle descriptions.

It is important to note that these burglaries occurred at unoccupied homes during the daylight hours and most were categorized as "open or unlocked." That is, the burglar simply walked or climbed through a door or window left open or unlocked by the resident. Burglars are opportunists who search for an easy target, and many break-ins can be prevented simply by closing and locking all doors and windows before leaving home, even during the warm summer months. In addition, getting to know your neighbors and organizing a Neighborhood Watch program is an excellent way to prevent crime in your neighborhood. For more information about Neighborhood Watch, contact the San Jose Police Department Crime Prevention Unit at (408) 277-4133.

Persons with information about this case are asked to contact Detective Frank Banuelos of the San Jose Police Department Burglary Unit at (408) 277-4401. Those wishing to remain anonymous can contact the Crime Stoppers tip line at (408) 947-STOP (7867).

San Jose Police Department Targets Impaired Drivers with Checkpoint

The San Jose Police Department will conduct a sobriety and driver's license checkpoint in the City of San Jose on Saturday, June 12, 2010 from 9:00 p.m. to 3:00 a.m.

In an effort to reduce the number of persons killed and injured in alcohol-related crashes, sobriety checkpoints are conducted to identify offenders and get them off the street, as well as to educate the public on the dangers of impaired driving.

All too often, members of our community are senselessly injured or killed on local roadways by impaired drivers.

This sobriety/driver's license checkpoint is an effort to reduce those tragedies, as well as ensuring motorists have a valid driver license. A major component of these checkpoints is to increase awareness of the dangers of impaired driving and to encourage sober designated drivers.

A sobriety checkpoint is a proven and effective method for achieving this goal. By publicizing these enforcement and educational efforts, the San Jose Police Department believes motorists can be deterred from drinking and driving.

Traffic volume- and weather permitting, all vehicles may be checked and drivers who are under the influence of alcohol and/or drugs will be arrested. Our objective is to send a clear message to those who are considering driving a motor vehicle after consuming alcohol and/or drugs: *Drunk Driving, Over the Limit, Under Arrest.*

The public is encouraged to help keep roadways safe by calling 9-1-1 if they observe a suspected impaired driver.

Funding for this operation is provided by a grant from the California Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA).

Inquires can be directed to Sgt. Steven Angel at 408-277-4341.

MEDIA ADVISORY

FOR IMMEDIATE RELEASE

June 10, 2010

National Night Out 2010

On Tuesday, August 3, 2010, neighborhoods throughout San Jose are invited to join forces with thousands of communities nationwide for the "**27th Annual National Night Out**". National Night Out will involve over 10,000 communities from all 50 States, U.S. Territories, Canadian cities and military bases around the world. In all, over 34 million people are expected to participate in "Americas Night Out Against Crime".

National Night Out is designed to: (1) Heighten crime and drug awareness; (2) Generate support for, and participation in, local anticrime efforts; (3) Strengthen neighborhood spirit and police/community partnerships; and (4) Send a message to criminals letting them know neighborhoods are organized and fighting back.

From 6 to 10 p.m. on August 3rd, residents in neighborhoods throughout San Jose and across the nation are asked to lock their doors, turn on outside lights and spend an evening outside with neighbors and police. Many neighborhoods throughout San Jose will be hosting a variety of special events such as block parties, cookouts, ice cream socials, barbeques and informal gatherings. National Night Out events don't have to be big or expensive. The important thing is to spend some time enjoying your neighborhood and getting to know your neighbors. Relax in the front yard, talk with neighbors and watch the kids play. You'll be supporting crime prevention efforts in San Jose while celebrating your neighborhood.

Last year approximately 100 San Jose neighborhoods showed their support for National Night Out by enjoying an evening with their neighbors and local police officers. To include your neighborhood in this years event register on line at www.sjpd.org or contact the San Jose Police Department Crime Prevention Unit at (408) 277-4133. Join us on Tuesday, August 3rd, and *Give Crime & Drugs A Going Away Party*.
