San Jose PD Sobriety and Drivers License Checkpoint, Thursday, December 22, 2016

Filed under *Press Release*, on 12/21/2016 7:22:00 AM by Author: Sergeant Enrique Garcia #2936.

San Jose Police Department Targets Impaired Drivers With Sobriety/Drivers License Checkpoint

San Jose, California
Thursday, December 22, 2016

9:00 PM to 3:00 AM

San Jose, CA – The San Jose Police Department Traffic Enforcement Unit will be conducting a DUI/Drivers License Checkpoint on December 22, 2016, at an undisclosed location within the city limits, between the hours of 9:00 p.m. to 3:00 a.m.

The deterrent effect of High Visibility Enforcement using both DUI checkpoints and DUI Saturation Patrols has proven to lower the number of persons killed and injured in alcohol or drug impaired crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20% when well-publicized proactive DUI operations are conducted routinely.

DUI Checkpoints like this one are placed in locations based on collision statistics and frequency of DUI arrests, affording the greatest opportunity for achieving drunk and drugged driving deterrence. Locations are chosen with safety considerations for the officers and the public.

In California, alcohol involved collisions led to 1,155 deaths and nearly 24,000 serious injuries in 2014 because someone failed to designate a sober driver.

Officers will be looking for signs of alcohol and/or drug impairment, with officers checking drivers for proper licensing, delaying motorists only momentarily. When possible, specially trained officers will be available to evaluate those suspected of drug-impaired driving, which now accounts for a growing number of impaired driving crashes.

Studies of California drivers have shown that 30% of drivers in fatal crashes had one or more drugs in their systems. A study of active drivers showed more tested positive for drugs that may impair driving (14%) than did for alcohol (7.3%). Of the drugs, marijuana was most prevalent, at 7.4%, slightly more than alcohol. Everyone should be mindful that if you're taking medication – whether prescription or over-the-counter – drinking even small amounts of alcohol can greatly intensify the impairment affects.

Drivers are encouraged to download the Designated Driver VIP, or "DDVIP," free mobile app for Android or iPhone. The DDVIP app helps find nearby bars and restaurants that feature free incentives for the designated sober driver, from free non-alcoholic drinks to free appetizers and more. The feature-packed app even has social media tie-ins and even a tab for the non-DD to call Uber, Lyft or Curb.

Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, license suspensions and other expenses that can exceed \$10,000 not to mention the embarrassment when friends and family find out.

Funding for this checkpoint is provided to the San Jose Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to "Report Drunk Driver – Call 9-1-1."

This Saturday is the Cops Care - Cancer Foundation Fantasy Flight 2016!

Filed under *Press Release*, on 12/8/2016 12:28:00 PM by Author: Sergeant Enrique Garcia #2936.

2016 Fantasy Flight Press Release

On Saturday, 12-10-16, the Cops Care Cancer Foundation will host their annual Christmas Fantasy Flight event. Approximately 150 children who are stricken with cancer, from Bay Area families, will attend the event this year. Fantasy Flight is a powerful and fun event for Bay Area families that have a child stricken with cancer.

The event provides a fun atmosphere where each child and their family are treated to a fun filled day in our version of the North Pole. In addition to all the carnival games, jumper houses, food and guests, Santa Claus arrives by police helicopter to deliver a specific toy for every child including the patient's siblings. We also provide financial assistance and clothing to each family to help with the added expense of the holiday season. Police Officers & Fire Fighters from San Jose, Fremont, Sunnyvale, Palo Alto, Redwood City, San Francisco and the CHP will be participating.

The families will arrive at Juniper Networks in Sunnyvale where they will load up into police vehicles, limos, military trucks, luxury busses and fire trucks. Police motorcycles from all of the participating agencies will lead this special motorcade to the San Jose PD Air Hangar, located at the Mineta San Jose International Airport. The kids and their families will enter the Air Hangar which has been magically transformed into the North Pole.

The kids will enjoy all of the festivities until Santa arrives by police helicopter to deliver gifts to every child. These aren't just any gifts either — The Cops Care Cancer Foundation staff does their homework and finds out exactly what each child has asked Santa for. Magically, those gifts are under the tree waiting for them. Each family will also receive financial assistance to provide their own celebration on Christmas day.

Event Details:

10:30 AM: Motorcade staging at Juniper Networks "Aspiration Dome", located at 5th Ave. and N. Mathilda Ave. in Sunnyvale (Signs will guide you in).

11:30 AM: Kids arrive at the San Jose PD Air Hangar / Carnival, located at Mineta San Jose International Airport, 1455 Airport Blvd. in San Jose.

2:00 PM: Santa Arrives by Police Helicopter at the San Jose PD Air Hangar.

Media Notes:

Parking will be available for Media directly in front of the event (Ask traffic officers for the location).

DETAILS:

The 9th Annual Shop with a Cop Heroes and Helpers Holiday shopping spree for under-served youth will be held on Thursday, December 8th at Target store on Coleman Avenue in San Jose.

For the past 8 years, the Shop with a Cop Foundation Silicon Valley hosts over 100 under-served children for a holiday shopping spree with local Bay Area police officers. For many of the children, this special opportunity becomes the only holiday experience they will have. 70 children are selected from the "Readers Are Leaders" reading campaign at local elementary schools, where they "earn" their way to the shopping spree. The additional 38 children participating are living in traumatic crisis from the loss of a parent, domestic violence and other tragedies. With a uniformed police officer by their side during the shopping spree, each child receives a \$125.00 Target gift card to shop for gifts for their family members and for themselves. The whole premise is to humanize the people behind the badge so that children can grow up trusting the police. This unique program brings the holiday spirit to children who need it most, and hopes to build safer communities for our future.

Local sports celebrities and sports mascots have also been invited to attend. Organizers will be available to provide brief remarks

and details about the Shop with a Cop Foundation and its impact on the community.

Target's Heroes and helpers is an event that helps less fortunate children purchase gifts for their families and themselves. This program is co-sponsored by local, state and federal law enforcement agencies nationwide during the holiday shopping spree events. The overall theme is to foster strong relationships between youth and police officers in order to change perceptions that young children might have toward the police so we may have a safer community tomorrow.

Target Corp. has had a longstanding commitment to building strong, healthy and safe communities, which include partnerships with law enforcement. This community giving and service event is one way Target gives five percent of its profits—which today equals more than \$4 million per week—to communities.

Funding for Shop with a Cop was provided by a grant from San Jose Mercury News Wishbook, Target, Chevron, Intero Foundation, Local businesses: Loft/Capers/Comcast, Castellano Family Foundation and private donations.

"Our annual Heroes & Helpers events pair public safety officials with community youth for holiday shopping sprees at our stores," Target representatives said. "Through our 2016 program, we donated more than \$150,000 to agencies in approximately 200 communities across the U.S."

People wishing to make a donation so more children may participate, can mail them to: P.O Box 8003, San Jose, CA 95155 Checks made payable to Shop with a Cop Foundation SV or at www.shopwithacopsv.org via Pay Pal.

Inquires may be directed to Cory Sanders of Target Corporation at (408) 346-2022 or email Laverne.white@target.com.

Update (11/18/2016)

Suspect Soriano was booked into the Santa Clara County Jail for two counts of attempted homicide of a police officer and probation violation.

The San Jose Police Department is confident we have the person responsible for this reprehensible act of violence on our officers. In addition, the community's participation proved to be invaluable. Lastly, the contributions from the Santa Clara County Probation Department and the Santa Clara County District Attorney's Office strengthened our investigative efforts that led to a successful resolution.

San Jose PD Receives Grant for Special Traffic Enforcement and Crash Prevention

Filed under *Press Release*, on 11/7/2016 11:16:00 AM by Author: Sergeant Enrique Garcia #2936.

SAN JOSE POLICE DEPARTMENT RECEIVES GRANT FOR SPECIAL TRAFFIC ENFORCEMENT AND CRASH PREVENTION

San Jose, CA — The San Jose Police Department has been awarded a \$300,000 grant from the California Office of Traffic Safety (OTS) for a year-long program of special enforcements and public awareness efforts to prevent traffic related deaths and injuries. San Jose PD will use the funding as part of the city's ongoing commitment to keep our roadways safe and improve the quality of life through both enforcement and education.

"The funds from this grant will allow us to focus more officers on much needed traffic safety," said Acting Lieutenant Steven Payne.

After falling to a ten year low in 2010, the number of persons killed has climbed nearly 17% across the state with 3,176 killed in 2015 according to the National Highway Traffic Safety Administration. Particularly alarming is the six year rise in pedestrian and bicycle fatalities, along with the growing dangers of distracting technologies, and the emergence of drug-impaired driving as a major problem. This grant funding will provide opportunities to combat these and other devastating problems such as drunk driving, speeding and crashes at intersections.

"Years of research tell us that enforcement and education work best jointly to combat unsafe driving. This grant brings both tactics together, with the Office of Traffic Safety and the San Jose Police Department working in concert to help keep the streets and highways safe across San Jose and the state," said OTS Director Rhonda Craft.

Activities that the grant will fund include:

- ✿ Educational presentations
- ✿ DUI checkpoints
- ✿ DUI saturation patrols
- ✿ Bicycle and pedestrian safety enforcement
- ✿ Motorcycle safety enforcement
- ✿ Distracted driving enforcement
- ✿ Seat belt and child safety seat enforcement

- ✿ Speed, red light, and stop sign enforcement
- ✿ Warrant service operations targeting multiple DUI offenders
- ✿ Compilation of DUI “Hot Sheets,” identifying worst-of-the-worst DUI offenders
- ✿ Specialized DUI and drugged driving training such as Standardized Field Sobriety Testing (SFST), and Advanced Roadside Impaired Driving Enforcement (ARIDE).

Funding for this program is from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

San Jose, Calif. - On Tuesday, October 25, 2016, at about 12:01 AM, three San Jose Police Officers were in the 400 block of Wooster Ave. on foot patrol when they heard a broadcast over the police radio of a stolen vehicle traveling near their location.

One of the officers had just entered his patrol vehicle when he spotted the stolen vehicle traveling in his direction. The vehicle was occupied by the lone driver (see description below). The suspect vehicle reversed direction into a cul-de-sac. The officer initiated a high risk car stop on the stolen vehicle. Instead of complying, the driver of the stolen vehicle accelerated and drove head into the officer's vehicle.

The stolen vehicle went into reverse, struck a parked semi-truck trailer, and accelerated towards the officer a second time. At this time, two other officers at the scene fired their service weapons at the suspect in defense of the victim officer's life. The suspect was able to escape. The victim officer was transported to a local hospital suffering minor injuries and was subsequently released.

A short time later, the suspect vehicle was located unoccupied approximately 1 mile away in the area of McKee Rd. and El Rancho Verde Dr. Patrol and K9 officers located a person hiding nearby. This person was taken into custody without incident. He had an outstanding misdemeanor warrant for Resisting Arrest. After preliminary interviews, investigators determined he was not involved in the shooting. This suspect was booked into the Santa Clara County Jail for the outstanding warrant.

The suspect is described as a Hispanic male, between 20 and 30 years old. At this time, it does not appear the suspect was injured in the confrontation and area hospitals were checked for walk in shooting victims - none were found.

All three officers were placed on routine paid administrative leave. The San Jose Police Department's Homicide Unit is conducting the criminal investigation. The case is being monitored by the San Jose Police Department's Internal Affairs Unit, the City Attorney's Office, and the Office of the Independent Police Auditor.

San Jose PD Is Taking Back Unwanted Prescription Drugs

Filed under *Press Release*, on 10/18/2016 12:55:00 PM by Author: Sergeant Enrique Garcia #2936.

San Jose PD Taking Back Unwanted Prescription Drugs on October 22nd at 4 Locations Throughout the City

San Jose, CA – On Saturday, October 22, 2016, from 10:00 a.m. to 2:00 p.m., the San Jose Police Department and the Drug Enforcement Administration (DEA) will give the public its 15th opportunity in six years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to:

- **Willow Glen Community Center - 2175 Lincoln Ave. (Room 7) in San Jose**
- **Camden Community Center - 3369 Union Ave. in San Jose**
- **Seven Trees Community Center - 3590 Cas Dr. in San Jose**
- **Evergreen Community Center - 4860 San Felipe Rd. in San Jose**

Note: The DEA cannot accept liquids, needles or sharps - only pills or patches. The service is free and anonymous, no questions asked!

Last April, Americans turned in 447 tons (over 893,000 pounds) of prescription drugs at almost 5,400 sites operated by the DEA and more than 4,200 of its state and local law enforcement partners. Overall, in its 11 previous Take Back events, DEA and its partners have taken in over 6.4 million pounds - about 3,200 tons of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines - flushing them down the toilet or throwing them in the trash - both pose potential safety and health hazards.

For more information about the disposal of prescription drugs or about the October 22nd Take Back Day event, visit [DEA Diversion website](#) or contact San Jose PD Sgt. Dave Wilson at 3316@sanjoseca.gov.

SJPD to Join Local Schools for "Walk to School Day"

Filed under *Press Release*, on 10/4/2016 8:30:00 AM by Author: Albert Morales #3477.

FOR IMMEDIATE RELEASE:

October, 4th 2016

CONTACT: Acting Lieutenant Steve Payne, 408/277-4341, 2805@sanjoseca.gov

San Jose Police Department will join local Schools for National Walk to School Day on Wednesday, October 5th

San Jose, CA — Several San Jose schools will be joining schools from around the country to celebrate National Walk to School Day on October 5, 2016 in partnership with the San Jose Police Department to send unified traffic safety messages to our community.

Students will be walking and biking to school along with parents, teachers and community leaders. Members of the San Jose Police Department will be deploying traffic/patrol officers to the neighborhoods near schools to enforce traffic laws, reminding everyone the importance of pedestrian and bicycle safety this day and every day represents.

Events are planned for Wednesday, October 5th, with students, parents and community leaders walking/biking to school.

Walk to School Day events raise awareness of the need to create safer routes for walking and bicycling. It also emphasizes the importance of issues such as increasing physical activity among children, pedestrian safety, traffic congestion and concern for the environment. The events build connections between law enforcement, families, schools and the broader community.

Important Safety Reminders

For Pedestrians:

- Walk on a sidewalk or path when one is available.
- If no sidewalk or path is available, walk on the shoulder, facing traffic.
- Stay alert; don't be distracted by electronic devices, including smart phones, MP3 players, and other devices that take your eyes (and ears) off the road.

- Be cautious night and day when sharing the road with vehicles. Never assume a driver sees you (he or she could be distracted, under the influence of alcohol and/or drugs, or just not see you). Make eye contact with drivers as they approach.
- Be predictable. Cross streets at crosswalks or intersections when possible. This is where drivers expect pedestrians.
- If a crosswalk or intersection is not available, locate a well-lit area, wait for a gap in traffic that allows you enough time to cross safely, and continue to watch for traffic as you cross.
- Be visible. Wear bright clothing during the day, and wear reflective materials or use a flash light at night.

For Drivers:

- Look for pedestrians everywhere. Pedestrians may not be walking where they should be or may be hard to see—especially in poor lit conditions, including dusk/dawn/night and poor weather.
- Always stop for pedestrians in the crosswalk or where pedestrian crosswalk signs are posted.
- Never pass vehicles stopped at a crosswalk. They may be stopped to allow pedestrians to cross the street.
- Slowdown and look for pedestrians. Be prepared to stop when turning or otherwise entering a crosswalk.
- Never drive under the influence of alcohol and/or drugs.
- Follow the speed limit; slow down around pedestrians.
- Stay focused and slow down where children may be present, like school zones and neighborhoods.

Several of these victims reported being beaten and pistol whipped during the incidents before having their money, phone, and food items taken.

Sergeant Jaime Jiménez of the Robbery Unit believed "these suspects viciously targeted a segment of our society that needed our help the most. Immigrant groups already face numerous challenges and this criminal victimization does nothing to help their integration into the social embroidery of our City." Robbery detectives worked tirelessly for two months investigating the string of robberies, which included interviewing victims and witnesses, gathering physical evidence, and conducting surveillance. In an effort to educate potential victims, Robbery detectives also reached out to street vendors to provide awareness and safety tips during the robbery spree.

On September 21, 2016 Robbery Unit Detectives and members of the Covert Response Unit located and arrested 24 year old Michaelangelo Cortez Lopez and 19 year old Richard Cortez Lopez at their residence in East San Jose.

This investigation is ongoing. Detectives believe additional crimes may have gone unreported and request any information which would help identify additional victims. Please forward any information to Detective Enrique Hernandez #3690 or Detective Juan Hernandez #3898 at the San Jose Police Department's Robbery Unit at (408)277-4166.

****UPDATE #2****

(September 7, 2016)

Suspect: Michael James Lee Lewis

On Wednesday, September 7, 2016, at about 5:15 PM, the suspect (Michael Lewis) wanted in connection with shooting at occupied vehicles along the Blossom Hill Road corridor was arrested in San Jose by officers of the San Jose PD Covert Response Unit.

On August 14, 2016, suspect Lewis was arrested for unrelated charges by San Jose Police Officer Mel Dunn #4309 while he was following-up on leads for this case. San Jose PD Assaults Unit detectives conducted follow-up investigation on Lewis and obtained a search warrant at his residence in the City of San Jose. A handgun was located during the search. The handgun, along with shell casings from some of the shootings, was submitted to the Santa Clara County Crime Lab for analysis. The Crime Lab determined the bullets recovered from four incidents were fired from the same handgun.

Lewis will be booked into the Santa Clara County Jail on 4 counts of Attempted Murder and an outstanding felony warrant for Felon in Possession of a Firearm.

Chief Eddie Garcia said, "The work that the men and women of this department have done in the last three weeks is nothing short of amazing! In light of everything this department is going through, our officers' dedication to the residents of this city is beyond reproach."

"I commend the San Jose Police Department for their exceptional work to arrest an extremely dangerous suspect without any loss of life — our officers continue to exceed expectations at a time when they remain historically shorthanded," said Mayor Sam Liccardo.

San Jose PD Sobriety and Drivers License Checkpoint, Thursday, September 1, 2016

Filed under *Press Release*, on 8/30/2016 10:21:00 AM by Author: Sergeant Enrique Garcia #2936.

San Jose Police Department Targets Impaired Drivers With Sobriety/Drivers License Checkpoint

**San Jose, California
Thursday, September 1, 2016**

9:00 PM to 3:00 AM

San Jose, CA -- San Jose Police Department Traffic Unit will be conducting a DUI/Drivers License Checkpoint on Thursday, September 1, 2016, at an undisclosed location within the city limits between the hours of 9:00 p.m. to 3:00 a.m.

The deterrent effect of DUI checkpoints is a proven resource in reducing the number of persons killed and injured in alcohol or drug involved crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20 percent when well-publicized DUI checkpoints and proactive DUI patrols are conducted routinely. DUI Checkpoints are placed in locations based on collision statistics and frequency of DUI arrests, affording the greatest opportunity for achieving drunk and drugged driving deterrence. Locations are chosen with safety considerations for the officers and the public.

In California, this deadly crime led to 867 deaths and over 23,000 serious injuries in 2013 because someone failed to designate a sober driver. Nationally, the latest data shows nearly 10,000 were killed by an impaired driver.

Officers will be looking for signs of alcohol and/or drug impairment with officers checking drivers for proper licensing delaying motorists only momentarily. When possible, specially trained officers will be available to evaluate those suspected of drug-impaired driving, which now accounts for a growing number of impaired driving crashes.

Recent statistics reveal that 30 percent of drivers in fatal crashes had one or more drugs in their systems. A study of active drivers showed more tested positive for drugs that may impair driving (14 percent) than did for alcohol (7.3 percent). Of the drugs, marijuana was most prevalent, at 7.4 percent, slightly more than alcohol. Everyone should be mindful that if you're taking medication – whether prescription or over-the-counter – drinking even small amounts of alcohol can greatly intensify the impairment affects.

Law Enforcement emphasizes the preventable nature of drunk driving reminding everyone that all it takes is a little planning ahead. Designate a sober driver or call a cab. But whatever you do, don't drink and drive. The California Office of Traffic Safety DDVIP

(Designated Driver VIP) mobile app is now available for free download on iOS and Android devices. Launched last year, the new DDVIP app offers enhanced features, allowing users to “Map a Spot” with their current location to find DDVIP partnering establishments in their area or a “List of Spots” to search all participating bars and restaurants throughout California. Users will be offered free incentives at each bar to celebrate their life saving role. They can stay up-to-date with the latest from DDVIP and see what other users are saying via its social tab. Also through the app, for those who want to imbibe but also make it a point to plan ahead, users can easily order a sober ride from Uber, Lyft or Curb – all from one screen.

Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, other expenses that can exceed \$10,000 not to mention the embarrassment when friends and family find out.

Funding for this checkpoint is provided to San Jose Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to Report Drunk Driver Call 9-1-1.

MEDIA NOTES: To schedule an interview regarding the San Jose Traffic Safety Operations, please contact Acting Lt. Steve Payne at (408) 277-4341 or via email 2805@sanjoseca.gov

Details of Operation Gang of Thrones Investigation

Filed under *Press Release*, on 8/24/2016 3:00:00 PM by Author: Sergeant Enrique Garcia #2936.

FOR IMMEDIATE RELEASE:

August 24, 2016

Operation Gang of Thrones

San Jose, CA - Since March of 2016, detectives of the San Jose Police Department's (SJPD) Gang Investigations Unit began building a criminal conspiracy investigation against a Vietnamese criminal street gang. SJPD worked closely with the Santa Clara County District Attorney's Office, Drug Enforcement Administration, and Federal Bureau of Investigation.

On Tuesday, August 23, 2016, all the agencies mentioned above, as well as personnel from the Santa Clara County Sheriff's Office, Milpitas Police Department, Santa Clara Police Department, Orange County Sheriff's Office, and the Louisiana State Police, served search warrants and arrest warrants at various locations in the cities of San Jose, Santa Clara, Milpitas, Fremont, Anaheim, and an undisclosed location in the State of Louisiana.

This collaborative investigation resulted in the arrest of 23 suspects who are known members or associates of a criminal street gang in San Jose. The suspects were booked into the Santa Clara County Jail on charges ranging from extortion, public corruption, narcotic trafficking, assault, illegal gun possession, and conspiracy. Two of the suspects were arrested in Anaheim, California, by the Orange County Sheriff's Office. There are 6 suspects at large for various felonies, including; Conspiracy, Accessory After the Fact, Narcotics and Gambling.

A total of 34 search warrants were served during this investigation in California and 1 Louisiana. The following evidence was seized:
