San Jose PD unveils new Ice Cream Truck (Operation Frozen Treats Patrol)

Filed under *Press Release*, on 10/22/2018 6:00:00 AM by Author: Sergeant Enrique Garcia #2936.

Media Advisory

WHAT: Media Briefing to Unveil New SJPd Ice Cream Truck

WHEN: Monday, October 22, 2018, at 4:00 PM - 5:00 PM

WHERE: Boys & Girls Club of Silicon Valley, 149 N. White Rd., San Jose

San Jose, Calif. — On Monday, October 22, 2018, between 4:00 PM - 5:00 PM, Chief Eddie Garcia joined by Mayor Sam Liccardo, will unveil "Operation Frozen Treats Patrol," a San Jose Police Department branded ice cream truck, to over 200 kids at the Boys & Girls Club of Silicon Valley, playground of Escuela Popular, 149 N. White Rd. in San Jose.

Operation Frozen Treats Patrol is an ice cream truck operated by the San Jose Police Department's Crime Prevention Unit to create positive community engagement opportunities and strengthen community relations between police and residents. The truck will allow the department to continue building relationships through nonenforcement interactions between officers, youth, and other community members.

The ice cream truck program will provide free ice cream at predetermined locations, such as neighborhood parks, recreation centers, schools, and community sponsored events.

The ice cream truck is a modified 2017 Ford Transit Diesel truck built by Farber Specialty Vehicles in Columbus, Ohio. It includes a side window to serve ice cream, speaker microphone system for announcements, siren, police lights on the two front visors, 1 deep freezer that can hold up to 1,200 packaged ice cream bars, a bay sink with hot and cold water to wash hands and clean surfaces area, cabinets to store supplies, small counter space, awning, and an exterior graphic wrap.

Fallen San Jose police officer Michael J. Katherman is being honored on the ice cream truck due to his love of ice cream and his service to the residents of San Jose.

Operation Frozen Treats Patrol was inspired by the Boston (MA) Police Department and St. Louis (MO) Police Department successful ice cream truck programs.

Suspect #1 Eugene Frazier

Suspect #2 Renee Wilson

San Jose, Calif. - In January 2018, the San Jose Police Department's Homicide Unit began investigating the suspicious disappearance of Billy Ray Scott, AKA "Tank." Detectives developed information that Scott was missing and may have been killed on Thanksgiving 2017. The investigation led detectives to a rural area of Santa Clara County where Scott's body was located in a ravine.

Detectives developed additional information which led them to an apartment in the 1500 block of Moorpark Avenue in the City of San Jose. The apartment was processed by the San Jose Police Department's Crime Scene Unit and the Santa Clara County Crime Lab and a crime scene was located.

Detectives believe that Scott was killed inside the apartment and later discarded in the ravine. Investigators eventually identified two suspects responsible for the murder of Billy Ray Scott. On Tuesday, July 24, 2018, the San Jose Police Department's Covert Response Unit apprehended Suspect Renee Wilson in Los Banos, California.

Renee Wilson was booked into the Santa Clara County Jail for the crime of Accessory (felony) - Penal Code 32. A warrant for Murder (felony) - 187 PC was obtained for Eugene Frazier who is currently in custody in Monterey County for an unrelated offense.

Anyone with information is asked to contact Detective Sergeant John Barg or Detective Wayne Smith of the San Jose Police Department's Homicide Unit at 408-277-5283.

San Jose Police Department's New — "Air3" Airbus H125 Jet Helicopter

San Jose, Calif. — On Friday, July 27, 2018, at 1:00 PM, Chief Eddie Garcia will unveil "Air3," a new Airbus H125 helicopter to replace the current Air2 helicopter. Air3 will provide greater safety for officers and the community with its modern capabilities.

The Airbus H125 helicopter is one of the most commonly operated single engine helicopters in law enforcement and has an exceptional safety record. It has increased passenger capacity with the ability to accommodate six occupants as opposed to the previous three person capacity.

Air3 will assist units on the ground for a variety of situations, which include supporting patrol officers on routine calls for service, responding to priority events such as vehicle pursuits, and searching for armed suspects and missing persons. Air3 also provides a

visible and psychological deterrent to law violators while it patrols the City through the air. Air3 is a critical asset for specialized units working special events or conducting tactical operations where aerial views provide enhanced situational awareness for personnel managing the events.

Air3 will land for media viewing in front of the San Jose Police Department, located at 201 W. Mission St. in San Jose.

San Jose Police Target Illegal Gaming Operations in San Jose

Filed under *Press Release*, on 7/19/2018 11:00:00 AM by Author: Officer Gina Tepoorten #3103.

MEDIA ADVISORY

San Jose, Calif. - In the last year, the City of San Jose has experienced an increase in criminal activity surrounding businesses that house illegal gaming operations. In response to local citizen and business complaints, as well as to a series of police calls for service ranging from quality of life issues to robberies and assaults, the San Jose Police Department in conjunction with the Santa Clara County District Attorney's Office, the California Department of Justice, Bureau of Gambling Control, San Jose Code Enforcement and the San Jose Fire Department, completed the initial phases of an on-going investigation targeting various front businesses facilitating illegal gambling operations.

Five business owners and employees were arrested for possession of illegal gambling machines and other gambling-related offenses. Five search warrants were executed at businesses located in the 2100 block of Morrill Avenue, the 100 Block of Senter Road, the 1700 block of McKee Road, the 90th block of N.14th Street and the 2600 block of Cropley Avenue. In total, 51 illegal gambling machines were seized, along with approximately \$75,000 in cash. Several more individual's cases are awaiting review by the Santa Clara County District Attorney's Office for additional charges.

Officers from the Department of Justice served two additional search warrants. One was served in the 900 block of Story Road, and the other in the 2000 block of Million Court, as well as a penal code inspection conducted in the 2000 block of Monterey Road. The Department of Justice, Bureau of Gambling Control located and seized 13 illegal gambling devices, and \$280,566.00 in US currency (believed to be proceeds from illegal gambling). The cases remain under active investigation and more businesses facilitating illegal gambling and/or in possession of illegal gambling machines are expected to be targeted in the future.

San Jose Police Lieutenant Paul Messier, of the San Jose Police Department's Criminal Intelligence Unit said, "We know we have more work to do in shutting down criminal enterprises that are impacting our community. We are asking for anyone with information about additional locations where illegal gaming and other related crimes are occurring to call our tip line at 408-277-3422."

Persons wishing to remain anonymous may either call the Crime Stoppers Tip Line, (408) 947-STOP (7867), or click the "Submit a Tip" link below. Persons providing information leading to the arrest and conviction of the suspect may be eligible for a cash reward from the Silicon Valley Crime Stoppers.

LOCATION: 1800 block of Cunningham Avenue, San Jose

VICTIM: Withheld

ADDRESS: Withheld

SUSPECT: Tung Vo

ADDRESS: San Jose Resident

CASE NUMBER: 18-187-0517

AGE: 16 Years

AGE: 34 Years

Suspect Tung Vo

Suspect Vehicle: White 2000 Toyota CA. License: 6XZA568

San Jose, Calif. - The San Jose Police Department's Sexual Assault Investigation Unit arrested Tung Vo for Assault with Intent to Commit Rape (felony) - Penal Code 220(a)(1), False Imprisonment (felony) - Penal Code 236, and Kidnapping (felony) - Penal Code 207(a).

On Friday, July 6, 2018 at approximately 1:17 PM, A 16 year-old male victim was walking on the 1800 block of Cunningham Avenue in San Jose when suspect Tung Vo asked him for help. Initially, the victim believed the suspect to be a female requesting assistance. The suspect lured the victim near the side sliding door of his Toyota Sienna van. As the victim was near the opening to the van door, the suspect pushed the victim into the van and sexually assaulted him. The victim was able to get away from the suspect and report the incident to police.

San Jose police officers responded to the scene and conducted an investigation. Follow-up investigation by patrol officers lead to the suspect's residence in San Jose where he was taken into custody without incident. The suspect's van was impounded as evidence. Suspect Tung Vo is a registered sex offender with a previous conviction for sexual battery and failing to properly register as a sex offender. He will be booked into Santa Clara County Jail for the above listed violations.

Anyone with information about this case or other cases involving this suspect is asked to contact Detective Jen Majors of the San Jose Police Department's Sexual Assault Investigations Unit at (408) 277-4102.

Suspect Arrested for Sexual Assaults in San Jose, Milpitas & Santa Clara County

Filed under *Press Release*, on 7/6/2018 5:34:00 PM by Author: Officer Gina Tepoorten #3103.

TYPE OF CRIME: Assault with Intent to Commit Rape, Sexual Battery, Annoying and Molesting a Child

CASE NUMBER: 18-183-0433

LOCATION: San Jose, Milpitas and Santa Clara County

SUSPECT: Icie Flores

AGE: 29 Years

ADDRESS: San Jose Resident

Suspect: Icie Flores

San Jose, Calif. - The San Jose Police Department's Sexual Assault Investigation Unit, Milpitas Police Department, and the Santa Clara County Sheriff's Office conducted a joint investigation and arrested Icie Flores for 2 counts of Assault with Intent to Commit Rape (felony) - Penal Code 220(a)(1), 2 counts of Sexual Battery (misdemeanor) - Penal Code 243.4(e)(1), and Annoying or Molesting a Child (misdemeanor) - Penal Code 647.6(a)(1).

On July 1, 2018 at approximately 7:00 PM, Icie Flores attempted to sexually assault a 17 year-old female at Eastridge Mall located at 2200 Eastridge Loop in San Jose. Approximately 10 minutes later, the suspect committed another sexual battery on an adult female at the same mall. Icie Flores was located inside Eastridge by mall security. San Jose police officers responded to the scene and arrested the suspect. He was booked into Santa Clara County Jail for Trespassing (misdemeanor) - Penal Code 602, Annoying/Molesting a Child (misdemeanor) - Penal Code 243.4(e)(1), and Sexual Battery (misdemeanor) Penal Code 647.6 (a)(1).

On July 2, 2018 at approximately 10:07 AM, Icie Flores approached an adult female and her child who was in a stroller at the Baypointe VTA Light Rail Station located at 97 East Tasman Drive in San Jose. Flores pushed the victim to the ground and committed a sexual battery. The victim screamed and Flores fled the scene prior to police arrival. Santa Clara County Sheriff's deputies responded to the scene, investigated and documented the incident.

On July 2, 2018 at approximately 12:41 PM, Icie Flores pushed an adult female to the ground in the 5000 block of North 1st Street in San Jose. While on the ground, Flores attempted to sexually assault the victim. The victim screamed and fought off the suspect. A witness heard the struggle and called police. San Jose police officers responded to the scene, however the suspect already fled prior to police arrival.

On July 2, 2018 at approximately 3:23 PM, Icie Flores entered a business located in the 600 block of Main Street in the City of Milpitas. Once inside, he struggled with the victim and committed a sexual battery. The victim was able to push the suspect out of the business and call police. At approximately 3:39 PM, Milpitas Police located Icie Flores in the 300 block of Main Street where he was taken into custody without incident.

All three law enforcement agencies combined their investigations and Icie Flores was later booked into Santa Clara County Jail for the above listed charges.

Anyone with information about these cases or other cases involving this suspect is asked to contact Detective Nick Barry of the San Jose Police Department's Sexual Assault Investigations Unit at (408) 277-4102.

Persons wishing to remain anonymous may either call the Crime Stoppers Tip Line, (408) 947-STOP (7867), or click the "Submit a Tip" link below. Improving Motorcycle Safety Aim of San Jose Police Department Operation

Filed under *Press Release*, on 7/6/2018 3:09:00 PM by Author: Webmaster.

FOR IMMEDIATE RELEASE:

Improving Motorcycle Safety Aim of San Jose Police Department Operation

Careless motorists as well as riders get special scrutiny

San Jose, Calif. — The San Jose Police Department will be conducting a specialized Motorcycle Safety Enforcement Operation on Sunday July 8th, 2018 in an effort to lower deaths and injuries. Extra officers will be on duty patrolling areas frequented by motorcyclists and where motorcycle crashes occur. Officers will be looking for violations made by drivers and riders alike that can lead to motorcycle crashes. They will be cracking down on both those operating regular vehicles and motorcycles who are violating traffic safety laws.

Motorcycle fatalities jumped dramatically in California by over 28 percent from a decade low of 352 in 2010. In 2013, 453 motorcyclists lost their lives, which is at a 5 year high. California collision data reveals that primary causes of motorcycle-involved crashes include speeding, unsafe turning and impairment due to alcohol and other drugs by both riders and drivers alike.

Operations like this are aimed at curbing any more rises in motorcycle deaths and sending the numbers back downward.

Safety tips for riders – See and Be Seen:

- Use your lane position to increase visibility; change lanes only when there is ample room
- Match your speed to surrounding traffic
- Always wear a DOT compliant helmet and brightly colored, protective clothing
- Ride with lights on during daylight hours

Safety tips for drivers – Share the Road:

- Look twice for motorcyclists, especially when entering the roadway, turning or changing lanes
- Motorcyclist are allowed in HOV lanes unless prohibited by signage

Riders are urged to get training through the California Motorcyclist Safety Program. Information and training locations are available at <http://www.californiamotorcyclist.com/> or 1-877 RIDE 411 (1-877-743-3411).

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration. The message to all drivers and motorcyclists is: share in the responsibility and do your part by safely "sharing the road."

San Jose PD Sobriety and Drivers License Checkpoint, Thursday, June 21, 2018

Filed under *Press Release*, on 6/19/2018 3:46:00 PM by Author: Webmaster.

FOR IMMEDIATE RELEASE:

June 19th, 2018

CONTACT: Sergeant Steve Payne, 408/277-4341, 2805@sanjoseca.gov

DUI/Drivers License Checkpoint Planned this Week

San Jose, Calif. — The San Jose Police Department Traffic Unit will be conducting a DUI/Drivers License Checkpoint on June 21st, at an undisclosed location within the city limits between the hours of 8:00 p.m. to 2:00 a.m.

In recent years, California has seen a disturbing increase in drug-impaired driving crashes. San Jose PD supports the new effort from the Office of Traffic Safety that aims to educate all drivers that "DUI Doesn't Just Mean Booze." If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

The deterrent effect of High Visibility Enforcement using both DUI checkpoints and DUI Saturation Patrols has proven to lower the number of persons killed and injured in alcohol or drug impaired crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20 percent when well-publicized proactive DUI operations are conducted routinely.

DUI Checkpoints like this one are placed in locations based on collision statistics and frequency of DUI arrests, affording the greatest opportunity for achieving drunk and drugged driving deterrence. Locations are chosen with safety considerations for the officers and the public.

In California, alcohol involved collisions led to 1,155 deaths and nearly 24,000 serious injuries in 2014 because someone failed to designate a sober driver.

Officers will be looking for signs of alcohol and/or drug impairment, with officers checking drivers for proper licensing, delaying motorists only momentarily. When possible, specially trained officers will be available to evaluate those suspected of drug-impaired driving, which now accounts for a growing number of impaired driving crashes.

Studies of California drivers have shown that 30 percent of drivers in fatal crashes had one or more drugs in their systems. A study of active drivers showed more tested positive for drugs that may impair driving (14 percent) than did for alcohol (7.3 percent). Of the drugs, marijuana was most prevalent, at 7.4 percent, slightly more than alcohol. Everyone should be mindful that if you're taking

medication – whether prescription or over-the-counter – drinking even small amounts of alcohol can greatly intensify the impairment affects.

Drivers are encouraged to download the Designated Driver VIP, or “DDVIP,” free mobile app for Android or iPhone. The DDVIP app helps find nearby bars and restaurants that feature free incentives for the designated sober driver, from free non-alcoholic drinks to free appetizers and more. The feature-packed app even has social media tie-ins and even a tab for the non-DD to call Uber, Lyft or Curb.

Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, license suspensions and other expenses that can exceed \$10,000 not to mention the embarrassment when friends and family find out.

Funding for this checkpoint is provided to San Jose Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to ‘Report Drunk Driver – Call 9-1-1’.

Law Enforcement Memorial Day Weekend DUI Enforcement Crackdown - Officers to look for alcohol and drug impaired drivers.

Law Enforcement Memorial Day Weekend DUI Enforcement Crackdown

Additional Officers to look for alcohol and drug impaired drivers

San Jose, Calif. — If you plan to spend time outdoors for backyard barbecues or recreational activities at local parks this Memorial Day Weekend, remember to do so responsibly. Alcohol and marijuana may be included in these gatherings. Tragically, Memorial Day marks the start of California's 100 dangerous days of summer between Memorial Day and Labor Day weekends.

In 2016, sixteen people were killed and another 385 injured in alcohol involved collisions over the Memorial Day weekend. An additional sixteen people were killed and 377 injured over the 2016 Labor Day weekend.

To reduce DUI-related collisions resulting in injuries or deaths, San Jose Police Department will deploy additional officers on DUI Saturation Patrols to stop and arrest drivers showing signs of alcohol or drug impairment. The patrols will be in areas with a history of DUI crashes and arrests.

San Jose Police Department joins the California Office of Traffic Safety (OTS) to drive awareness on the best ways to get from point A to point B safely. Between Memorial Day and Labor Day, many police and sheriff departments in addition to the CHP will use OTS grant funds for overtime to deploy officers across the state to aggressively ticket or arrest traffic violators. High visibility enforcement operations will be in place all summer.

In recent years, California has seen an increase in drug-impaired driving crashes. San Jose PD reminds drivers that "DUI Doesn't Just Mean Booze." If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana use can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

In addition to stopping and arresting impaired drivers, officers will watch for aggressive drivers. Those who speed, tailgate, fail to obey traffic signs and signals, and those driving distracted, will be cited

San Jose PD wants to remind drivers of the simple things that can save their lives and the lives of their loved ones:

- 🌟 California's *Click It Or Ticket* campaign is underway so Buckle Up — it's the best defense if you're in a crash.
- 🌟 Drive sober! Plan your designated driver and take the keys away from friends or family that are drinking this weekend.
- 🌟 Never drive distracted — Put down your phone and Just drive! Avoid other distractions that diverts your full attention to the road.
- 🌟 Report drunk drivers — Call 911!

This enforcement effort is funded by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.

The next statewide DUI enforcement campaign is set for Independence Day.

Click It or Ticket Campaign Starts May 21

San Jose Police Department will show zero tolerance

San Jose, CA — As the unofficial start of summer, the Memorial Day holiday weekend is a busy time for Californians. Each year, the highways fill with families in vehicles, on their way to start their summer vacations. To help keep drivers and passengers safe, San Jose Police Department is reminding motorists to *Click It or Ticket*. The national seat belt campaign will take place May 21 through June 3, concurrent with the busy travel season.

San Jose Police Department will deploy additional officers during the two-week campaign on special traffic patrols specifically to stop and ticket both drivers and passengers for failing to use the vehicles safety belt restraints. This will also include drivers who fail to secure children in the proper child restraint seats.

"Buckling up is such a simple task that can keep you and your family safe in the car," said Sergeant Payne San Jose Police Department. "But its more than that. Buckling up is the law. Our law enforcement personnel see the consequences of not buckling up. We see the loss of life and injuries at the scene of a crash. Often, deaths could have been prevented and injuries reduced with the simple click of a seat belt. This should be automatic."

According to the National Highway Traffic Safety Administration, nearly half (48%) of the passenger vehicle occupants killed in crashes in 2016 were unrestrained. At night from 6 p.m. to 5:59 a.m., that number soared to 56 percent of those killed. That's why one focus of the *Click It or Ticket* campaign is nighttime enforcement. Police, Sheriff and the CHP will be taking a no-excuses approach to seat belt law enforcement, writing citations day and night. In California, the minimum penalty for a seat belt violation is \$162.

"This Memorial Day period and, in fact, every day, we want everyone in every vehicle to remember that buckling up could be their greatest defense in a crash," said Rhonda Craft, Director of the California Office of Traffic Safety. "Putting on a seat belt is one of the quickest, simplest and most effective ways to ensure you and your loved ones remain safe and sound on the road."

In 2016, 4 San Jose community members were killed because they did not buckle their seat belts. Across Santa Clara County, 9 died unrestrained as either a driver or passenger. Statewide, 426 individuals were found to be unrestrained at the time of the collision. It is estimated that 74 would have survived had they simply buckled up.

If you know a friend or a family member who does not buckle up when they drive, please ask them to consider changing their habits. Help us spread this life-saving message before one more friend or family member is killed as a result of this senseless inaction. Seat belts save lives, and everyone — child and adult — needs to remember to buckle up — every trip, every time.

This enforcement effort is funded by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, and remember - Report Drunk Drivers – call 911.

May is Bicycle Safety Month - Cyclists, take these simple precautions to help be safe.

Filed under *Press Release*, on 5/10/2018 9:30:00 AM by Author: Webmaster.

FOR IMMEDIATE RELEASE:

May 10, 2018

CONTACT: Sergeant Steve Payne #2805, 408/277-4341, 2805@sanjoseca.gov

May is Bicycle Safety Month

San Jose, Calif. — With the California weather warming up, the San Jose Police Department and the California Office of Traffic Safety (OTS) are highlighting how bicycling is a great way to stay in shape, save money on gas, reduce pollution and when visiting recreational areas, a great way to see the sights. These benefits are nothing new to cyclists and community leaders. Many cities have created bike-friendly routes now complete with bike paths, special bicycle parking areas and special amenities. National Bike Safety Month in May is just one way we celebrate our love to ride.

However, motorists and bicyclists must take extra precautions when they travel together. Riders often share the road with vehicles, which creates a host of hazards, and injuries can happen even on a designated path. In 2016, California passed legislation requiring motorists to proceed past riders with at least a 3 foot of clearance.

According to National Safety Council Injury Facts 2017, 488,123 people were treated in emergency rooms in 2015 after being injured riding a bicycle. The only sport resulting in more injuries overall was basketball, at 493,011. Football was third, at 399,873.

According to Injury Facts, about 1,100 deaths resulted from cyclists colliding with motor vehicles in 2015. With about 80 million bike riders sharing the road with millions of motorized vehicles, the importance of safety precautions in traffic cannot be overstated.

Cyclists who wear a helmet reduce their risk of head injury by an estimated 60%, and brain injury by 58%. That statistic makes sense when you consider the first body part to fly forward in a collision is usually the head, and with nothing but skin and bone to protect the brain, the results can be fatal.

California witnessed 147 bicyclist deaths in 2016, accounting for over four percent of all traffic fatalities, much higher than the national average of over two percent. Nationally, 70 percent of all bicyclists who died in motor vehicle crashes in 2015 died in urban area crashes. Over a 10-year period (2006 to 2015), the average age of cyclists killed in motor vehicle crashes has steadily increased from 41 to 45.

Drivers:

- “Share the road” with bicyclists

- Be courteous; California law now mandates at least three feet of clearance when passing a bike riders
- Look for cyclists before opening a car door or pulling out from a parking space
- Yield to cyclists at intersections and as directed by signs and signals
- Be especially watchful for riders when making turns, either left or right
- It is unlawful to drive in a bike lane except for 200 feet prior to make a right or left turn

Bicyclists:

- Wear properly fitted bicycle helmets every time they ride. If under 18 years of age, it's the law
- A helmet is the single most effective way to prevent head injury resulting from a bicycle crash
- Riders are considered vehicle operators; they are required to obey the same rules of the road as other vehicle operators, including obeying traffic signs, signals, and lane markings.
- When cycling in the street, cyclists must ride in the same direction as traffic.
- Bicyclists should increase their visibility to drivers by wearing fluorescent or brightly colored clothing during the day, and at dawn and dusk
- To be noticed when riding at night, the law requires a front light and a red reflector to the rear

For additional safety, use a flashing rear light, and use retro-reflective tape or markings on equipment or clothing

NATIONAL NIGHT OUT 2018

POLICE • COMMUNITY PARTNERSHIPS

Registration is now open for this year's *National Night Out* at SJPD.ORG

Your neighborhood is invited to participate with many other neighborhoods across the country in celebration of *National Night Out* on Tuesday evening, **August 7, 2018**. Deadline for registration is **July 27, 2018**.

National Night Out is a crime and drug prevention event that is sponsored nationally by the *National Association of Town Watch* and co-sponsored locally by the *San Jose Police Department*. This year is the 35th anniversary of *National Night Out* with over 38 million people across the country expected to participate.

National Night Out is designed to: (1) Heighten crime and drug awareness; (2) Generate support for, and participation in, local anti-crime efforts; (3) Strengthen neighborhood spirit and police/community partnerships; and (4) Send a message to criminals letting them know neighborhoods are organized and fighting back.

From **5 PM to 9 PM** on **August 7, 2018**, residents in neighborhoods throughout San Jose and across the nation are asked to lock their doors, turn on outside lights and spend an evening outside with neighbors and police. Neighborhoods will be hosting a variety

of events ranging from small potlucks and BBQs to large block parties. Some additional event ideas include, *but are not limited to*, ice cream socials, disaster preparedness, games, contests, discussing neighborhood issues or setting neighborhood goals, food or clothing donations, plan a clean-up day, beautify a common area, discuss or plan a Neighborhood Watch Program. It is an opportunity to be creative, have fun and CELEBRATE YOUR NEIGHBORHOOD!

The San Jose Police Department is a nationally registered participant of National Night Out. Registration is free and gives the police and city representatives an opportunity to attend local events as time and circumstances permit.

Celebrate Cinco de Mayo Responsibly

Celebrate Cinco de Mayo Responsibly

BuzzeD Driving Is Drunk Driving

San Jose, CA — In the United States, the Cinco de Mayo holiday is often associated with parties and alcohol. If you're celebrating with friends and family this weekend, remember that at the end of the night, you need to have a safe and sober ride home. Police, Sheriff and the CHP will be out in force looking for the tell-tell sign of impaired driving this weekend.

In the rush to prepare for a night out, it's easy to forget the most important Cinco de Mayo plan of all: designating a sober driver. Some may think they can play it by ear and wait until after the party has started to decide whether they're "okay to drive." By this point, it's too late. Going out for a night of drinking without a plan for getting home safely is a recipe for disaster.

In recent years, California has seen an increase in drug-impaired driving crashes. San Jose PD supports the new effort from the Office of Traffic Safety (OTS) that aims to educate all drivers that "DUI Doesn't Just Mean Booze." If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana use can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

Remember: BuzzeD Driving Is Drunk Driving, and when you drive impaired, you run the risk of killing yourself or someone else. You will be looking at jail time, the loss of your driver's license, higher insurance rates, and dozens of other unanticipated expenses ranging from attorney fees, court costs, car or motorcycle towing and repairs, and lost wages due to time off from work. The average DUI costs about \$10,000. Wouldn't you rather pay for a ride home?

There are many other ways to ensure a safe ride home besides relying on a friend. The **OTS DDVIP app** is now available for free download on iOS and Android devices. The app offers enhanced features, allowing users to search all participating bars and restaurants throughout California. Additionally, the app users can easily order a sober ride from Uber or Lyft.

Drunk driving is claiming too many lives. On average in 2016, someone was killed in a drunk-driving crash every 50 minutes. On Cinco de Mayo weekend, that equaled 51 lives lost in drunk-driving crashes in the nation. So, if you choose to drink this Cinco de Mayo, make sure you have a designated sober driver or have arranged another safe way home. Decide today that you won't ever drive after drinking or impaired by drugs. If you know someone who is about to drive buzzed or 'high', step in and help. Take their keys and help them make arrangements to get home safely.

A final statistic to remember: drunk-driving deaths are 100-percent preventable.

The next statewide DUI campaign is set for Independence Day.

The 15th National Prescription Drug Take Back Day

Saturday, April 28, 2018

10:00 AM - 2:00 PM

San Jose, CA – On Saturday, April 28, 2018, from 10:00 AM to 2:00 PM, the **San Jose Police Department** and the Drug Enforcement Administration (DEA) will give the public its 15th opportunity in 8 years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription and otc drugs. Bring your pills for disposal to the above listed sites (The DEA cannot accept liquids or needles or sharps, only pills or patches). The service is free and anonymous, no questions asked.

Last October, Americans turned in 450 tons (900,000 pounds) of prescription drugs at almost 5,500 sites operated by the DEA and more than 4,200 of its state and local law enforcement partners. Overall, in its 13 previous Take Back events, DEA and its partners have taken in over 8.1 million pounds—more than 4,050 tons—of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For more information about the disposal of prescription drugs or about the April 28th Take Back Day event, go to the [DEA Diversion website](#).

WHAT: San Jose Thanks the 50th Anniversary of America's First 9-1-1 Phone Call

WHEN: Friday, February 16, 2018, at 10:00 AM

San Jose Police Department Communications Center,

WHERE: 201 W. Mission Street, San Jose, CA 95110

San Jose, Calif. — Friday, February 16, 2018, is the 50th Anniversary of America's first 9-1-1 phone call. Please join San Jose Police Chief Eddie Garcia and San Jose Acting Fire Chief Robert Sapien as they thank the San Jose call-takers and dispatchers who respond to the City's emergency 9-1-1 calls.

San Jose call-takers answer 565,000 emergency calls each year and 380,000 non-emergency calls. Communications personnel are the real-time connection between the caller and police officers and firefighters working in the field. San Jose has openings in both police and fire communications.

Note: 9-1-1 was selected as the nationwide emergency number in 1968. The nation's first 9-1-1 call was placed on February 16, 1968, in Haleyville, Alabama. California began developing 9-1-1 soon after with the statewide system officially launched in 1972. The statewide system was completed in 1985.

DUI/Drivers License Checkpoint Planned this Weekend 02-09-18 From 8PM to 2AM

Filed under *Press Release*, on 2/9/2018 3:23:00 PM by Author: Officer Gina Tepoorten #3103.

FOR IMMEDIATE RELEASE:

February 9th, 2018

CONTACT: Sergeant Steve Payne, 408-277-4341, 2805@sanjoseca.gov

DUI/Drivers License Checkpoint Planned this Weekend

San Jose, CA – San Jose Police Department Traffic Unit will be conducting a DUI/Drivers License Checkpoint on February 9th, 2018, at an undisclosed location within the city limits between the hours of 8:00 p.m. to 2:00 a.m.

In recent years, California has seen a disturbing increase in drug-impaired driving crashes. San Jose PD supports the new effort from the Office of Traffic Safety that aims to educate all drivers that “DUI Doesn’t Just Mean Booze.” If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

The deterrent effect of High Visibility Enforcement using both DUI checkpoints and DUI Saturation Patrols has proven to lower the number of persons killed and injured in alcohol or drug impaired crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20 percent when well-publicized proactive DUI operations are conducted routinely.

DUI Checkpoints like this one are placed in locations based on collision statistics and frequency of DUI arrests, affording the greatest opportunity for achieving drunk and drugged driving deterrence. Locations are chosen with safety considerations for the officers and the public.

Officers will be looking for signs of alcohol and/or drug impairment, with officers checking drivers for proper licensing, delaying motorists only momentarily. When possible, specially trained officers will be available to evaluate those suspected of drug-impaired driving, which now accounts for a growing number of impaired driving crashes.

Studies of California drivers have shown that 30 percent of drivers in fatal crashes had one or more drugs in their systems. A study of active drivers showed more tested positive for drugs that may impair driving (14 percent) than did for alcohol (7.3 percent). Of the drugs, marijuana was most prevalent, at 7.4 percent, slightly more than alcohol. Everyone should be mindful that if you’re taking

medication – whether prescription or over-the-counter – drinking even small amounts of alcohol can greatly intensify the impairment affects.

Drivers are encouraged to download the Designated Driver VIP, or “DDVIP,” free mobile app for Android or iPhone. The DDVIP app helps find nearby bars and restaurants that feature free incentives for the designated sober driver, from free non-alcoholic drinks to free appetizers and more. The feature-packed app even has social media tie-ins and even a tab for the non-DD to call Uber, Lyft or Curb.

Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, license suspensions and other expenses that can exceed \$10,000 not to mention the embarrassment when friends and family find out.

Funding for this checkpoint is provided to San Jose Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to ‘Report Drunk Driver – Call 9-1-1’.

SJPD Public Safety Announcement on Child Pornography

Filed under *Press Release*, on 2/8/2018 4:31:00 PM by Author: Sergeant Enrique Garcia #2936.

MEDIA ADVISORY

San Jose, Calif. — The San Jose Police Department and other law enforcement agencies across the country have received calls from the public regarding a video containing child pornography currently being circulated via Facebook Messenger. The sharing of a sexually explicit video involving a child, even for the purpose of helping a victim to identify a suspect, is a crime and results in the widespread distribution of child pornography. Do not forward child pornography videos or links - Instead, immediately report it to local law enforcement before deleting it.

The suspect depicted in the noted video surrendered to law enforcement in Alabama on Tuesday, February 6, 2018. The lead agency on this investigation is the Special Victims Unit & Alabama Internet Crimes Against Children (ICAC) Task Force.

The goal of the San Jose Police Department is to educate the public and prevent further distribution of this video on Facebook or other social media outlets. The distribution of child pornography is a felony violation of California Penal Code section 311.

“Our goal is to encourage and educate the public to immediately report and not forward any inappropriate or sexual material involving a child they may receive,” said San Jose Police Chief Eddie Garcia.

Persons with information regarding this incident or any other similar incidents are urged to contact Detective Sergeant Brian Spears of the San Jose Police Department's Internet Crimes Against Children (ICAC) / Child Exploitation Detail (CED) task force at (408) 537-1397.

SJPD Arrest Burglary Suspects in Lucky Lotto Burglaries.

Filed under *Press Release*, on 1/18/2018 7:26:00 AM by Author: Officer Gina Tepoorten #3103.

FOR IMMEDIATE RELEASE:

January 18, 2018

Police Arrest Lucky Lotto Bandits

San Jose, Calif. — Concluding a multi-month, multi-agency investigation, members of a burglary crew responsible for lottery ticket heists throughout Northern California have been arrested and charged. About 20 of the burglaries happened within San Jose Police Department's jurisdiction in recent months.

Businesses commonly targeted were gas stations and liquor/convenient stores. The crew often used a rock to smash the window of the business to gain entry. Items commonly stolen included: California lottery scratchers, cash registers, US currency, and cigarettes.

From September to December 2017, this crew named "The Lucky Lotto Bandits" committed more than 30 commercial burglaries within Santa Clara County. An investigation determined that the burglary crew committed commercial burglaries throughout Northern California within the following jurisdictions: San Jose, Campbell, Santa Clara, Cupertino/Santa Clara County, Sunnyvale, Los Altos, Fremont, Livermore, Dublin/Alameda County, San Ramon, Danville, Tracy, Brentwood, Rio Vista, Elk Grove, Sacramento County/Rancho Cordova, and Calaveras County. The crew cashed the stolen California lottery scratchers in San Jose, Brentwood, Discovery Bay, Stockton, and other jurisdictions.

The spree ended on December 20, 2017, when police identified the crew after a series of commercial burglaries in San Jose, Fremont, and San Ramon. The suspects fled from police in the Fairfield area and ended up crashing in the Travis Air Force Base. The following five suspects were taken into custody and are being charged in Santa Clara County:

- Jared McEssy, Age 21, San Jose Resident
- Alexander Castillo, Age 21, San Jose Resident
- Alexander Rosiles, Age 19, Stockton Resident
- Roque Soto Sierra, Age 19, Stockton Resident
- Sergio Beltran Jr., Age 21, Stockton Resident

A sawed-off shot gun was recovered inside the suspect vehicle along with stolen property from the burglaries.

Suspect McEssy pleaded guilty on January 3, 2018 to 32 commercial burglary counts and received a court offer of eight years.

Suspect Beltran Jr. is currently outstanding with a felony want for his arrest. Another suspect who was identified as being part of the Lucky Lotto Bandits and is currently outstanding with a felony want for his arrest: Sergio Aguirre, Age 18, San Jose Resident.

The San Jose Police Department's Burglary Unit worked closely on the investigation with Campbell PD, Santa Clara PD, Santa Clara SO, Sunnyvale DPS, the California Lottery, Fremont PD, and the Santa Clara County District Attorney's Office.

Anyone with information is asked to contact Detective Ashley Weger of the San Jose Police Department's Financial Crimes-Burglary Unit at 408-277-4401.

SJPD Arrests 12 Suspects for Violent Robberies, Carjackings, & Other Crimes

Filed under *Press Release*, on 1/16/2018 1:58:00 PM by Author: Officer Gina Tepoorten #3103.

FOR IMMEDIATE RELEASE:

January 16, 2018

Violent Robbery / Carjacking Investigation

San Jose, Calif. — More than 50 San Jose Police officers conducted a large-scale operation last week targeting a violent criminal gang responsible for a series of robberies, carjackings, burglaries, and a shooting. Officers made multiple arrests and seized stolen property and weapons during the operation.

The crew was responsible for at least 30 robberies and carjackings in San Jose since the summer of 2017. During one of the robberies, the victim was assaulted and suffered a serious head injury. The gang often used stolen vehicles and firearms during the crime spree.

On Wednesday, January 10, 2018, the San Jose Police Department's Robbery Unit, in conjunction with the Gang Investigations Unit (GIU), Covert Response Unit (CRU), Special Operations and Patrol, with assistance from the Santa Clara County Regional Auto Theft Task Force (RATTF) and Santa Clara County District Attorney's Office Crime Strategies Unit, served a total of 8 search and arrest warrants in the City of San Jose and 1 in the City of Morgan Hill.

Seven adults and five juveniles (ages 15 to 17) were arrested. Subsequently, the adults were booked into the Santa Clara County Jail and the juveniles were booked into Santa Clara County Juvenile Hall on multiple charges, including; robbery, carjacking, burglary, assault with a deadly weapon, resisting arrest, child endangerment, possession of a loaded firearm, possession of stolen property, possession of drugs, and gang enhancement.

The following items were seized as evidence:

- 7 firearms
- One carjacked vehicle was recovered
- \$2,000 in US Currency
- Ammunition
- Replica firearms
- Stun gun, pepper spray & knives
- Stolen property (laptops, tablets, keys and key fobs)

Anyone with information is asked to contact Detective Michael White or Detective Tedros Habib of the San Jose Police

Department's Robbery Unit at 408-277-4166.

SJPD is investigating an Officer Involved Shooting that occurred on 01-09-18

Filed under *Press Release*, on 1/11/2018 5:00:00 PM by Author: Officer Gina Tepoorten #3103.

TYPE OF CRIME: Officer Involved Shooting

CASE NUMBER: 18-009-0624

LOCATION: Metcalf Energy Center, 1 Blanchard Road, San Jose

SUSPECT: Withheld (Adult male)

AGE:

ADDRESS: San Jose Resident

OFFICER: Adam Hutson

EXPERIENCE: 14 Years

OFFICER: Timothy Faye

EXPERIENCE: 15 Years

San Jose, Calif. — On Tuesday, January 9, 2018, at approximately 5:02 PM, San Jose police officers responded to a suspicious vehicle call at Metcalf Energy Center located at 1 Blanchard Road in San Jose. An employee called police to report a suspicious male at the front gate in a black Mercedes. The employee further reported that the male pulled something out of the trunk of the Mercedes.

The male was described as an Asian male in his late 20's, 5'-6", 145 lbs., wearing a black jacket, white shirt and black pants. In addition, the license plate provided by the reporting party was identified as "armed and dangerous" from the Santa Cruz County Sheriff's Department. At this point, the male gained access onto the property. San Jose police received an additional call from an employee stating that the male had a backpack, pipe, and possibly an axe on his person.

San Jose police officers arrived on scene and located the black Mercedes unoccupied at the front gate. Inside the vehicle, officers observed a large sword laying on the driver's seat. The officers entered the gate and located the suspect armed with a 6 foot pipe and an axe. They immediately gave the suspect verbal commands to drop the pipe and axe. The suspect did not comply and walked away from the officers.

The officers followed the suspect a safe distance, continuing commands to drop his weapons. The suspect ignored commands and yelled, "Shoot me, Kill Me" several times during the incident. The suspect turned around and advanced toward the officers still armed with the pole and axe. During the contact, officers ordered the suspect to surrender and drop his weapons no less than 23 times.

When the suspect was approximately 5 to 6 feet away from one of the officers, one officer shot at the suspect. The suspect continued toward a second officer with the axe and pole still in his hands and a second officer also shot at the suspect. The suspect was struck at least once. Officers provided first aid until fire personnel arrived on scene. Fire personnel attended to the suspect and pronounced him deceased at the scene.

A search of the suspect's person revealed that he had an additional axe, 6 throwing knives and pepper spray. The officers on scene had their body worn cameras activated.

Air 2 responded and played a critical role guiding responding officers and the fire department to the scene. The Bomb and K9 Units responded for a bomb sweep of the area to ensure scene safety. No explosive devices were located.

The identity of the suspect will not be released until the Santa Clara County Coroner's Office has confirmed the suspect's identity and notified next of kin.

The suspect's criminal history included resisting arrest, narcotic and weapons violations. In addition, he was admitted for a 72 hour psychiatric evaluation in September 2017.

The officers were placed on routine paid administrative leave. The Santa Clara County District Attorney's Office and the San Jose Police Department's Homicide Unit are conducting a joint criminal investigation. The case is being monitored by the San Jose Police Department's Internal Affairs Unit, the City Attorney's Office, and the Office of the Independent Police Auditor.

Anyone with information is asked to contact Detective Sergeant Raul Martinez or Detective Brian Meeker of the San Jose Police Department's Homicide Unit at 408-277-5283.

Persons wishing to remain anonymous may either call the Crime Stoppers Tip Line, (408) 947-STOP (7867), or click the "Submit a Tip" link below. SJPD officers will focus on campus safety, not enforcing school discipline

Filed under *Press Release*, on 1/11/2018 7:00:00 AM by Author: Sergeant Enrique Garcia #2936.

Media Advisory

New agreement ensures San Jose officers are focused on campus safety, not enforcing school discipline

San Jose, Calif. — The San Jose Police Department (SJPD) has been working with various school districts (Campbell Union High School District, Eastside Union High School District, and San Jose Unified School District) to establish principles and guidelines governing the relationship between the school districts and the City of San Jose regarding the provision of SJPD law enforcement on high school campuses.

Chief Eddie Garcia said, "Having officers doing the work of school administrators and enforcing school rules is a recipe for disaster and not the purpose of having law enforcement on campuses. This agreement ensures our officers are in schools to provide a safe place to learn and build positive relationships with students and staff."

As a precursor to this MOU, SJPD coordinated with the Juvenile Probation Department and the Santa Clara District Attorney's Office to create a diversion program designed to reduce the number of citations and arrests of students. Some first-time low-level offenses like petty theft and vandalism will be eligible and provide juveniles with school-based services avoiding direct entry into the criminal justice system.

Chief Eddie Garcia said, "This diversion program helps address the low-level, non-violent youth offenders who are entering the juvenile justice system."

The new Memorandum of Understanding (MOU) between the Department and the school districts in San Jose will better define each other's role. This MOU language has also been incorporated into the Department's Duty Manual as policy."

"I'd like to thank Chief Garcia and Superintendents Funk, Andrew and Albarran for reaching this agreement," said Mayor Sam Liccardo. "We all agree that we can best keep our kids safe by focusing our officers' scarce time on crime, not student discipline."

"Developing this MOU was critical to clearly delineate the work of the site administrator and the role of police officers on school campuses. Administrators investigate violations of Education Code. Police officers are there to protect staff and students from outside intruders, build relationships with students and support the school during an emergency situation," said Chris Funk East Side Union High School Superintendent.

The roles and duties of a San Jose police officer on a school campus are primarily those of a law enforcement officer of their primary employer, the City of San Jose. A San Jose police officer shall be responsible for carrying out all duties and responsibilities of an officer, as prescribed by state law, and shall always remain subject to the San Jose Police Department and the City of San Jose.

The four primary purposes for having police services on school campuses are:

1. Maintain a safe and secure campus from intruders

2. Preserve life and property in a manner which promotes community
3. Develop positive relationships with students
4. Support school district staff in the securing and transporting of prohibited confiscated items that are illegal to have on campus under California State Law

The primary understanding in this MOU is that the school districts agree that school officials will ensure that student disciplinary matters remain the responsibility of school staff and not the police officer. Enforcement of the code of student conduct is the responsibility of teachers, school staff, and school administrators. The police officer will refrain from being involved in the enforcement of disciplinary rules that do not constitute violations of criminal law, or are criminal violations eligible for diversion.

The San Jose Police Department's School Liaison Unit provides direct access to police services to the schools and provides programs that are designed to increase school safety. Some of the programs include presentations to school staff regarding legal updates, mandatory reporting laws, gang prevention, sexual harassment, etc.

SJPD Announces Public Web Portal for Community to Track Use of Force Data

Filed under *Press Release*, on 1/10/2018 8:56:00 AM by Author: Sergeant Enrique Garcia #2936.

Press Release

SJPD Announces Public Web Portal for Community to Track Use of Force Data

On-line system will provide transparency and build trust

San Jose, CA — The San Jose Police Department (SJPD) in partnership with Police Strategies, LLC went live today with a **public web portal** that allows community members access to officer use of force data through its Police Force Analysis System (PFAS). A comprehensive report by Police Strategies on SJPD's use of force data was also made public today. San Jose is the largest city in the nation to use this data analysis system and one of only two that will provide this information to the public in its ongoing effort to be a transparent police department and improve police/community relations.

"The first two and three quarters years of use of force data analysis reinforces the fact that we are not a police department in crisis, it provides us benchmarks for improvement and validates that in San Jose we do not have troubling racial disparities in our uses of force. These outcomes did not happen by accident; it is the product of working with our community, the police officers' association and maintaining high standards in our officers. By putting this data in an online public dashboard, we are taking transparency to another level," said Chief Eddie Garcia.

PFAS provides a comprehensive risk management tool that can be used to make data-driven decisions and develop evidence-based best practices. The system can also be used to examine racial disparity issues providing meaningful insights for the community and actionable results for the Department. As part of SJPD's ongoing efforts to increase transparency and build trust with the community, the Department will provide the public with access to the system using interactive dashboards on SJPD.org.

"This type of tool is a massive leap forward in developing better use of force policies and procedures. It gives our officers valuable feedback to adjust or reinforce their tactics and training and provides the public accurate data about the state of policing in San Jose," said Paul Kelly, President of the San Jose Police Officers' Association.

PFAS is a unique system that will help the Department better understand officers' uses of force, strengthen internal accountability, and assist in the evaluation and improvement of use of force policies, practices, and training. This system will provide the Department with a much deeper and richer analysis of the data that will lead to a better understanding of what is happening and enable more effective management decisions to be made.

"This tool represents our continued commitment to maintain the highest levels of transparency and accountability in our police department," said Mayor Sam Liccardo. "By publicly releasing and analyzing this extensive trove of use-of-force data, we can ensure that the San Jose Police Department remains the most professional and trusted department in the nation."

"The San Jose Police Department is now one of only a handful of agencies nationwide that can truly understand when, where, why and how its officers are using force. Cutting edge business intelligence tools and complex legal algorithms will give the Department a deep understanding of its use of force practices and will provide guidance on how the Department can improve those practices and minimize risk. The system will also provide the community with unprecedented access to the data so that they can understand how and why officers use force against non-compliant individuals. The additional benefit of this system is that it will lead to reduced risk and injury, fewer complaints, lawsuits and improved relations with the community," said Bob Scales, CEO of Police Strategies

LLC.

"SJPD's decision to make the enormous amount of use-of-force data available to the public represents a meaningful effort at transparency," said Independent Police Auditor Aaron Zisser. "My office looks forward to working with SJPD and community stakeholders to fully understand the data and put it to use to enhance accountability."

REMINDER: A Media Briefing to demonstrate the public portal will take place today, Wednesday, January 10, 2018, at 1:00 PM, at San Jose PD, 201 W. Mission St., San Jose, CA 95110 (Room 314)

About Police Strategies, LLC

Police Strategies LLC was formed in February 2015 and is based in Washington State. The company was built by law enforcement professionals, attorneys and academics with the primary goal of helping police departments use their own reports to make data-driven decisions and develop evidence-based policies and best practices. The three partners are all former employees of the Seattle Police Department and were directly involved with the Department of Justice's pattern or practice investigation of the department in 2011 as well as the Consent Decree that followed. The partners took the lessons learned from the DOJ experience and created tools that police departments can use to monitor use of force incidents, identify high-risk behavior and evaluate the outcomes of reforms that are implemented. The company has a partnership with the Criminal Justice Department at Seattle University which assists in the analysis of the data. You can find more information about the company at www.policestrategies.com.

SUSPECT: Joe Nanez
ADDRESS: San Jose Resident

AGE: 33 Years

SUSPECT: Joe Nanez

San Jose: The San Jose Police Department's Internet Crimes Against Children (ICAC) / Child Exploitation Detail (CED) task force arrested 33 year old San Jose resident Joe Nanez for Sending Harmful Matter to a Minor (felony) - Penal Code 288.2(a)(2), and Attempting to Meet a Minor to Commit Lewd and Lascivious Acts (felony) - Penal Code 664/288.4(b).

Suspect Joe Nanez contacted an undercover police officer who was posing as a 14 year old girl on the internet. On Tuesday, December 19, 2017, suspect Nanez sent a sexually explicit image to the undercover officer. Later that evening, Nanez arrived at a pre-designated location in San Jose where he agreed to meet the minor. Nanez was arrested without incident. He was subsequently booked into the Santa Clara County Jail on the noted charges.

Parents are encouraged to discuss online / social media safety with their children. The Silicon Valley ICAC Task Force created a PSA for parents purchasing gifts that have Internet connectivity. Parents can view the video on YouTube:

DUI/Drivers License Checkpoint Planned this Weekend 12-22-2017, 8PM - 2AM

Filed under *Press Release*, on 12/19/2017 2:20:00 PM by Author: Webmaster.

FOR IMMEDIATE RELEASE:

December 19th, 2017

CONTACT: Sergeant Steve Payne, 408-277-4341, 2805@sanjoseca.gov

DUI/Drivers License Checkpoint Planned this Weekend

San Jose, CA – San Jose Police Department Traffic Unit will be conducting a DUI/Drivers License Checkpoint on December 22, 2017, at an undisclosed location within the city limits between the hours of 8:00 p.m. to 2:00 a.m.

In recent years, California has seen a disturbing increase in drug-impaired driving crashes. San Jose PD supports the new effort from the Office of Traffic Safety that aims to educate all drivers that “DUI Doesn’t Just Mean Booze.” If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

The deterrent effect of High Visibility Enforcement using both DUI checkpoints and DUI Saturation Patrols has proven to lower the number of persons killed and injured in alcohol or drug impaired crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20 percent when well-publicized proactive DUI operations are conducted routinely.

DUI Checkpoints like this one are placed in locations based on collision statistics and frequency of DUI arrests, affording the greatest opportunity for achieving drunk and drugged driving deterrence. Locations are chosen with safety considerations for the officers and the public.

Officers will be looking for signs of alcohol and/or drug impairment, with officers checking drivers for proper licensing, delaying motorists only momentarily. When possible, specially trained officers will be available to evaluate those suspected of drug-impaired driving, which now accounts for a growing number of impaired driving crashes.

Studies of California drivers have shown that 30 percent of drivers in fatal crashes had one or more drugs in their systems. A study of active drivers showed more tested positive for drugs that may impair driving (14 percent) than did for alcohol (7.3 percent). Of the drugs, marijuana was most prevalent, at 7.4 percent, slightly more than alcohol. Everyone should be mindful that if you’re taking medication – whether prescription or over-the-counter – drinking even small amounts of alcohol can greatly intensify the impairment affects.

Drivers are encouraged to download the Designated Driver VIP, or "DDVIP," free mobile app for Android or iPhone. The DDVIP app helps find nearby bars and restaurants that feature free incentives for the designated sober driver, from free non-alcoholic drinks to free appetizers and more. The feature-packed app even has social media tie-ins and even a tab for the non-DD to call Uber, Lyft or Curb.

Drivers caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, license suspensions and other expenses that can exceed \$10,000 not to mention the embarrassment when friends and family find out.

Funding for this checkpoint is provided to San Jose Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to "Report Drunk Driver – Call 9-1-1".

(408) 346-2022

DETAILS:

The 10th Annual Shop with a Cop Heroes and Helpers Holiday shopping spree for under-served youth will be held on Wednesday, December 6th at Target store on Coleman Avenue in San Jose. For the past 10 years, the Shop with a Cop Foundation Silicon Valley hosts over 100 under-served children for a holiday shopping spree with local Bay Area police officers. For many of the children, this special opportunity becomes the only holiday experience they will have. 70 children from Santee Elementary School in San Jose were selected from the "Readers Are Leaders" reading campaign and will be participating in this year's event. The additional 25 children participating are living in traumatic crisis from the loss of a parent, domestic violence and other tragedies. With a uniformed police officer by their side during the shopping spree, each child receives a \$150.00 Target gift card to shop for gifts for their family members and for themselves. The whole premise is to humanize the people behind the badge so that children can grow up trusting the police. This unique program brings the holiday spirit to children who need it most, and hopes to build safer communities for our future. Local sports celebrities and sports mascots have also been invited to attend. Organizers will be available to provide brief remarks and details about the Shop with a Cop Foundation and its impact on the community. Target's Heroes and helpers is an event that helps less fortunate children purchase gifts for their families and themselves. This program is co-sponsored by local, state and federal law enforcement agencies nationwide during the holiday shopping spree events. The overall theme is to foster strong relationships between youth and police officers in order to change perceptions that young children might have toward the police so we may have a safer community tomorrow.

Target Corp. has had a longstanding commitment to building strong, healthy and safe communities, which include partnerships with

law enforcement. This community giving and service event is one way Target gives five percent of its profits—which today equals more than \$4 million per week—to communities.

Funding for Shop with a Cop was provided by a grant from Target Corporation, Google, Intero Foundation, Coastal Lumber, Rotary Foundation Silicon Valley, local businesses, fundraisers and private donations.

“Our Annual Heroes & Helpers events pair public safety officials with community youth for holiday shopping sprees at our stores,” Target representatives said. “Through our 2017 program, we donated more than \$150,000 to agencies in approximately 200 communities across the U.S.”

People wishing to make a donation so more children may participate, can mail them to: P.O Box 8003, San Jose, CA 95155 Checks made payable to Shop with a Cop Foundation SV or at www.shopwithacopsv.org via Pay Pal.

Inquires may be directed to Executive Director-Shop with a Cop Foundation SV, Darrell Cortez at (669) 226-2663 or Cory Sanders of Target Corporation at (408) 346-2022 or email Laverne.white@target.com.

This Saturday is the Cops Care - Cancer Foundation Fantasy Flight 2017!

Filed under *Press Release*, on 12/5/2017 11:30:00 AM by Author: Webmaster.

2017 Fantasy Flight Press Release

On Saturday, December 9th, 2017, the **Cops Care Cancer Foundation** is hosting its 14th Fantasy Flight for Bay Area children stricken with cancer. Fantasy Flight is an amazing event for Bay Area children stricken with cancer. Police agencies from all over the Bay Area assist and contribute. Right now, we have 50 families signed up which means we have 50 patients (VIPs as we call them) and we include their brothers and sisters as well. We will have approx 250 kids at the event which equates to another 300+ adult family members. We will also have another 150+ police/fire and civilian volunteers the day of the event as well.

For security and logistical purposes, we do a presidential style motorcade from Juniper Networks in Sunnyvale to the SJPD Air Hangar at the San Jose International Airport in San Jose. The families ride in police cars and fire trucks in this motorcade. SWAT vehicles (Bearcats) are EXTREMELY crucial as we use them to transport children who are in wheelchairs. The CHP, SJPD and Sunnyvale DPS coordinate the temporary road closures for the motorcade but we welcome ALL police motorcycle units to participate.

When the kids arrive at the air hangar, it has magically been transformed into the North Pole with a HUGE carnival inside. The Sunnyvale Moose Lodge provides an amazing BBQ lunch for all of the guests and volunteers. We also have popcorn, cotton candy and baked goods for everyone :) The kids get to see static police and fire displays along with Police K-9s etc. It is an amazing day topped off with Santa arriving by police helicopter in the afternoon. As is tradition, the Chiefs and command officers from each agency help to hand the gifts to each child after their portrait with Santa is taken. EVERY child receives a gift, including the brothers and sisters. These gifts are purchased specifically for each child as our elves contact each parent and find out what they would like. As you can imagine, this is a costly but awesome part of the event.

9:00 AM: Check in time. **Juniper Networks, Aspiration Dome, 5th Ave at N. Mathilda Ave., Sunnyvale, CA**

10:30 AM: Motorcade staging at Juniper Networks "Aspiration Dome", located at 5th Ave. and N. Mathilda Ave. in Sunnyvale (Signs will guide you in).

11:30 AM: Kids arrive at the San Jose PD Air Hangar / Carnival, located at Mineta San Jose International Airport, 1455 Airport Blvd. in San Jose.

2:00 PM: Santa Arrives by Police Helicopter at the San Jose PD Air Hangar.

Media Notes:

Parking will be available for Media directly in front of the event (Ask traffic officers for the location).

Media Advisory

San Jose, CA — The San Jose Police Department has significantly changed Department protocol on the review of force used by its officers. Prior to this change, the SJPD generally handled uses of force the same, unless a formal complaint was filed, regardless of severity.

The new policy, "Command Officer Responsibility by Use of Force Category," identifies four tiers of force based on the type of force option used or the resulting injury. Higher categories of force will receive greater scrutiny by the Department's chain of command. Immediate supervisors will continue to be responsible for assessing incidents in which the use of force causes only a minor injury or complaint of pain. Command staff – including the Chief of Police or Assistant Chief of Police in the most serious cases and in cases identified by the first-level command officer – will review the incident and the supervisor's initial investigation. Command staff will then determine whether the supervisor's investigation was adequate and whether any red flags indicate a need for investigation by the Internal Affairs Unit for further examination of the incident.

"I applaud Chief Garcia and the Police Department for taking this proactive step to ensure that serious use-of-force cases get an even deeper level of review," said Mayor Sam Liccardo. "This new policy serves as the latest example of our collective commitment to ensuring that the San Jose Police Department remains a model for accountability and community trust."

Aaron Zisser, San Jose's Independent Police Auditor, said, "I am encouraged that the policy change incorporates key elements of my office's recommendations and represents a meaningful effort to modernize SJPD's accountability procedures and ensure close review of serious uses of force. I look forward to seeing how the new policy plays out and, along with Chief Garcia, examining whether further changes are needed."

Chief Eddie Garcia said, "I continue to be proud of the professionalism shown by the men and women of the San Jose Police Department. We are constantly trying to better ourselves as an organization, and this is but one example. Policies such as these cannot be done in a vacuum, thus alienating the rank and file. I wish to thank the San Jose Police Officers' Association for their collaborative approach and working with me on this very important issue."

In its 2016 annual report, the Office of the Independent Police Auditor issued recommendations that the Police Department create a similar series of tiers to ensure proper review of uses of force.

Anyone interested in obtaining additional information on this policy may contact the San Jose Police Department's Internal Affairs Unit at 408-277-4094, the Office of Independent Police Auditor at 408-794-6226, or view the policy here: [Command Officer Responsibility by Use of Force Category.pdf](#)
